Election Fever Rising on Local City, Two-Level

Filing Periods for 1967 April Votes Will Begin In January, February

Political lines already are being drawn for the 1967 city, village, park and township elections in the Quad-City area, it was reported today as election officials began preliminary preparations for the first filing dates that are only a little more than a month away.

The Granite City municipal election will be held April 5 this year. Election of township officials will be held in the Quad-Cities and the rest of Madison county on the same date. Park district balloting also is held simultaneously.

City elections in Madison and Venice, held under different state laws on the basis of population, and the Pontoon Beach Village election, are scheduled April 18.

Area school district elections, held on the second Saturday of April, will be held April 8 next year. Dates for filing of nominating petitions, withdrawal periods and qualification for absentee voting vary in each set of elections, according to election schedules announced by the office of Secretary of State Paul Powell at Springfield.

Unlike the regular biennial elections involving state and national candidates that are conducted by the county clerk's office, the city, village, township, park and school elections are arranged and conducted by officials of the respective agencies. Clerks of each city and village are responsible for election within their own communities, as well as for the tabulation and certification of the vote cast in those elections.

Clerks Conduct Elections
Township clerks conduct the town elections on the same basis and park district officials are responsible for the balloting within their respective district. The same applies to school district elections.

Under this system Granite City voters will vote April 4 for eight aldermen in the city election, three township supervisors in the township election and two park board members in the park election. Since each of these elections is conducted separately, voters in some precincts where different polling places are designated.

BIRTHS..

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Luther Mathenia Jr., 822 Ashland avenue, Dec. 1, Bonnie Louise, seven pounds, 13 ounces.

Mr. and Mrs. Robert Milankovic, 408 State street, Dec. 2, Cynthia Louise, nine pounds, nine ounces.

Mr. and Mrs. Donald Miller, 2330 West 24th street, Dec. 3, Rebecca Dawn, seven pounds, nine ounces.

Mr. and Mrs. Gary Gubser, 79 University drive, Dec. 3, Kerri Beth, eight pounds.

Mr. and Mrs. Robert Dubnick Jr., 3055 11th avenue, Dec. 3, Pamela Loraine, nine pounds, three ounces.

Mr. and Mrs. Paul Etherton, 717 Twenty-sixth street, Dec. 4, Sarah Janine, six pounds, one ounce.

Rev. and Mrs. Vernon Covington, 2546 Boyle avenue, Jana Marie, six pounds, one ounce.

BOYS

Mr. and Mrs. Darrell Cassity, Collinsville, Dec. 1, Justin D., seven pounds, 14 ounces.

Mr. and Mrs. Carl Gibson, 2317 Independence drive, Dec. 1, Teddy Eugene, seven pounds, three ounces.

Mr. and Mrs. Charles Hollaway, 2818 Marshall avenue, Dec. 1, Charles Wayne, eight pounds, two ounces.

Mr. and Mrs. Merle Little, 2838 Victory drive, (twins), Scott Wynn, six pounds, 14 ounces; Gregory Allen, four pounds, eight ounces.

Mr. and Mrs. Joseph Easley, 3167 Edwardsville road, Dec. 2, Joseph Oscar, three pounds, one ounce.

Mr. and Mrs. Philip McGovern, 251 East 27th street, Dec. 3, Sean Timothy, eight pounds, 12 ounces.

Mr. and Mrs. Josiah Cooper, 12 St. Louis, Dec. 5, seven pounds.

County Officers Elected Nov. 8th Take Over Today

Madison county officials elected in the Nov. 8 balloting officially began their four-year terms today in a brief inauguration ceremony in the courtroom of Chief Circuit Judge Joseph Barr.

Judge Barr administered the oath of office to four associate circuit judges who were re-elected in office by the Nov. 8 election balloting, and to Miss Eulalia Holt, re-elected county clerk; John Maers, newly elected county treasurer, and George Musso, sheriff.

The oath for the circuit judges was administered to the judges jointly. The judges who begin new terms include Michael Kinney, I. M. Streeter III, P. Schuman and Austin Lusso. Miss Holt, Maers and Musso were administered the oaths of office individually, in that order.

Overflow Crowd

An overflow crowd that extended into the corridors outside the courtroom attended the ceremony.

Judge Kinney spoke briefly in behalf of the judges and each of the county candidates made brief remarks after taking their oaths.

The candidates then moved to the county clerk's office where Musso's 27 deputies were given their oaths of office by Miss Holt. She also administered the oaths to her three deputy clerks, Miss Dorothy Fink, Miss Evelyn Bowles and Mrs. Deloyce Trares. Miss Holt has announced there will be no personnel changes in her office.

The fourth-county officer elected, Wilbur R. L. Trimpe, superintendent of schools, does not take office until next August.

Musso late last week announced a list of 45 employees to make up his staff of deputies, jail and courthouse employees.

Burglars Cart Off Shotguns, Rifles At Western Auto

Burglars stole the more expensive shotguns, rifles and shotguns from the Western Auto store, 2001 Grand avenue, it was discovered at 9:40 a.m. today.

No estimate of the loot is yet known as an inventory is being conducted to determine the number and types of guns missing, and if any other merchandise was taken. The loss is expected to be in the hundreds of dollars. Entry was gained by breaking a window in the rear storage room, and the burglars carried the loot out of a rear door.

Fund Grant to Hospital Based on Local Community Needs

The \$810,819 federal-state grant for modernization and expansion at St. Elizabeth Hospital is based on the Quad-City community's hospital needs and ability to provide the added funds required for the \$6 to \$8 million program for the next 20 years.

Sister Mary Thomas, administrator, said the hospital itself is capable of borrowing up to \$20 million, at present, and that steps are being made by a professional firm to determine an amount to be raised within the community.

To remain eligible for the federal-state fund grant, construction of new facilities must be started next year—October at the latest. Plans call for a new wing of seven stories to be erected along Iowa street on hospital property.

Full Grant Likely

Sister Thomas said Friday she is hopeful a full grant will be given the hospital when additional funds become available.

The grant was to have been in the amount of \$1 to \$1.2 million, but was cut because the full

Man Charged With Attempted Burglary in Venice

Venice police charged one man with attempted burglary over the weekend as local and county authorities received 19 theft and attempted theft reports. Of four autos stolen here, three were recovered.

Harold Ballentine Jr., 24, of 308 Washington avenue, Madison, was charged with attempted burglary Friday following his arrest by Venice police during a brief chase near the Show Boat Tavern, 400 Main street, Venice.

Police said they are seeking another man who fled from the scene as officers arrived to investigate reports of a noise at the tavern. Ballentine also ran from the scene but stopped when Patrolman Charles Mize of the Venice police department fired two warning shots in the air, authorities said.

Venice police said they received a report from a Vernon Brown, operator of the tavern, at 1:15 a.m. Friday that after closing the tavern he heard a noise in or just outside the tavern.

Mize was cruising on South Main street a short distance from the tavern as the report was broadcast over a police radio. As he approached the tavern two men ran from the front door of the place. Mize reported he saw the two men run toward the rear of the building and that he played his spotlight on one of the men who was hiding under a stairway. As he

approached the stairway, both men started running. Two officers from the Madison police department and two officers from Venice arrived at that time.

Mize said he and the officers gave chase and that he fired two warning shots. One of the men stopped, but the other continued running. The officers apprehended Ballentine and booked him on attempted burglary charge. Police said a crowbar was found stuck in the door jam of the front door after the arrest.

Tavern, Grocery Burglaries
Two burglaries were reported Sunday morning to Granite City police, one at the West Side Tavern, 1034 West 20th street, and the other at Michel's Grocery, 22nd street and Edison avenue.

At the tavern, operated by Barbara Jarrett, a window was smashed to gain entrance early Sunday. Taken were \$57 in cash, five fifths of wine and five fifths of whiskey.

A glass in the 22nd street door was smashed at the grocery. It is believed the burglars were frightened off before they could cart away any loot. A carton of bacon had been removed from a freezer and was found in the middle of the floor about 6:50 a.m. by Alvin Michel.

Burglary Attempt Fails

A burglar made an unsuccessful attempt to break into the home of Mr. and Mrs. Ralph Peck, 1656 Fourth street, Madison, between 2 and 6 p.m. Sunday. Madison police said a glass of a rear door was broken out near the door knob and lock. A told police there was a dog in the house, and it is believed have frightened the burglar away.

The home of Mr. and Mrs. Frank Shiffer, 1700 Sixth street, Madison, was broken into between 1 and 10:15 p.m. Sunday.

TREE DECORATIONS and food donations at the Girl Scout "Festival of Giving" held yesterday at the Madison Memorial Center and Granite City Memorial Gym. Above are Brownies of Madison Troop 410 with Mrs. Jackie Frizzell (left), neighborhood chairman, and Mrs. Linda Noud, troop leader, decorating the tree with homemade ornaments.

1500 Girl Scouts Give 73 Baskets At Annual Festival

(Picture on page 8)

Nearly 1500 Girl Scouts of the Quad-Cities took part in yesterday's two "Festival of Giving" programs and donated 73 baskets of food along with hundreds of handmade Christmas tree decorations for distribution to needy families.

The baskets were turned over to representatives of Catholic Charities, Protestant Welfare, the Salvation Army and Red Cross for distribution.

Nearly 350 youngsters and parents took part in the Madison festival which was held at the Memorial Center on Seventh street. A highlight was a surprise visit by Santa Claus, who distributed treats to the youngsters as they departed.

The two programs were held simultaneously, and between 1000 and 1100 girls and parents were in attendance at the program held in Memorial Gymnasium for Three, Four and Five.

Trees Trimmed

At both festivals, the girls trimmed Christmas trees with decorations they made as troop projects and there were programs of entertainment and carol singing.

Mrs. Jackie Frizzell, chairman of Neighborhood One, president at the Madison festival, and a senior Girl Scout, Alta Bollinger, was mistress of ceremonies for the program at the Memorial Gym. Neighborhood chairmen who were coordinators were Mrs. Wilma Hancock, Two; Mrs. Virginia, Madison; and Mrs. Virginia, Venice.

28 Weekend Accidents Train-Truck Crash Injures 2 At Maryville Road Crossing

Another accident at the Maryville road crossing in which two persons were hurt was among the 28 traffic mishaps occurring in and near the Quad-Cities over the weekend resulting in a total of 16 injuries.

A father and son were injured about 2 p.m. Saturday when their truck was hit by a west-bound New York Central freight train at the hazardous Maryville road crossing south of Mitchell.

Harvey McElroy, 41, of 2000 Sinclair avenue, was admitted to St. Elizabeth Hospital after being knocked from the cab of his small truck. His son, Harold Steven McElroy, 13, an eighth grader at Prather junior high, jumped before the train hit the front of the truck and escaped with a small abrasion to his right leg.

Mr. McElroy, an open hearth

GC Steel Worker Killed in Crash Near Edwardsville

A Granite City Steel Co. employee, Morris P. Clayton, 29, of Edwardsville, was killed Friday afternoon in a head-on collision on Route 157, a half-mile south of Edwardsville.

State police said Clayton's northbound auto crossed the center line to crash into a southbound auto driven by Milton Wharton, 20, of East St. Louis, who was injured. Wharton was taken to Centerville Township Hospital. Both motorists were alone in their cars.

Clayton was pronounced dead at the scene. Among his survivors is a sister, Mrs. Wanda (Nina) Volkman of Granite City. Funeral services were held Sunday in Pocahontas with Rev. Robert Baumann of St. Peter United Church of Christ here officiating.

Drop in Bridge Income to Hurt Venice-\$100,000

Drop in McKinley Bridge Traffic to Eliminate Financial Aid for City

The \$100,000 received annually by the city of Venice from operating McKinley bridge will be lost to the city during the current fiscal year, it was revealed Friday night.

The situation became known after Mayor John E. Lee told the Venice city council in regular meeting that bridge revenue for November dropped \$12,000 below income in the middle of November last year.

"This," the mayor said, "was a further decline over that of October bridge receipts." October bridge income, the mayor noted, was \$200,000 below the October 1965 revenue.

Both Mayor Lee and Bridge Manager Henry McMullin told the Press-Record that the decline in monthly bridge revenue below last year's figures is expected to level off at an average of "at least \$12,000," and can be even higher during spring and summer months when bridge traffic normally is heavier than during winter months.

Would Waste Out Fund

Assessing that the drop in revenue remains at a minimum average of \$12,000 per month, Mayor Lee and McMullin agreed to postpone a vote on a proposal to raise the city's revenue from \$140,000 to \$150,000 by the end of the current fiscal year of the bridge operation next Sept. 30. This would wipe out any hope of Venice receiving its usual \$100,000 payment or any part of it, the officials said.

McMullin explained that under existing terms of the city's bridge bond arrangement, all expenses—operational, maintenance, insurance, taxes and funding requirements—must be paid first out of gross bridge income.

The city then receives its \$100,000 if sufficient balance remains. Any monies still remaining reverts to the bond fund for payment of principal and interest.

For the current bridge year just ended, described as the best financial year, the city has expended \$154,000. The city received \$100,000 on Oct. 1 out of this fund, leaving an additional \$54,000 for the bond fund.

Mayor Lee said that the \$12,000 per month average drop in revenue for the current year would wipe out the equivalent of the 1966 surplus fund, thus eliminating the source of the city's \$100,000 payment.

Declining revenue results from the opening early in October of the new chain of Rods bridge crossing Interstate Route 240 to Missouri near Mitchell. The bridge is toll free.

McMullin submitted a report to the council Friday night showing bridge traffic from November totaled 389,990 vehicles, a drop of 20,624 vehicles below the 410,612 using the bridge in November a year ago. McMullin pointed out that the traffic load last month was an average of 12,996 vehicles per day, compared to 14,017 per day in November 1965.

An even blacker picture confronts the city with construction of the Poplar street bridge in East St. Louis. This bridge also is to toll free, is scheduled for opening in early 1968. McMullin said it will reduce substantially the existing traffic on McKinley bridge.

Have Refinancing Plan

An effort to refinance the present bridge bond issue through re-scheduling of the bond payments is now under way by the city. The project does not involve refinancing in the sense that new bonds would be issued to pay off the old, but involves agreements by present bondholders to hold their present bonds under a new payment schedule, and to accept "deferred" payments to even the come is insufficient to meet scheduled bond payments.

Success in the refinancing will depend upon the willingness of (Continued on page 12, col. 8)

DR. W. S. SKINNER

**Dr. Skinner, Church
Leader, to Speak Here**

Dr. W. Sherman Skinner, pas-
tor of Second Presbyterian
Church, St. Louis, will address a
dinner meeting of the Presby-
terian Men's Club of the Granite
City First Presbyterian Church at
6:30 p.m. Wednesday in the
church fellowship hall here.

Rev. Skinner was born in Gou-
verneur, N. Y., and attended
Princeton and Columbia Universi-
ties, received his A.B. degree
from the latter in 1927. He re-
ceived his Th.D. degree from
Princeton Theological Seminary
in 1930 and his Th.M. from the
same institution in 1931.

"The next year, as a Fellow in
Testament, he studied in Ger-
many at the Universities of Ber-
lin and Marburg. He has been
awarded the honorary degree of
Doctor of Divinity at Temple
University and Lafayette College.
He began his active ministry
in Bethlehem, Pa., where he
served as pastor of the First
Presbyterian Church from 1933
to 1936. He was co-pastor of the
First Presbyterian Church in
Germantown, Philadelphia, from
1936 to 1947. From May 1947
until May 1955, he was pastor at
the East Liberty Presbyterian
Church in Pittsburgh.

Since May 1955, he has been
pastor at Second Presbyterian
Church. For eight and one-half
years, he was the radio and tele-
vision preacher on "The
Protestant Hour" in St. Louis,
and now appears on the program
about two months of the year.
He is president of the Board
of Christian Education of the
United Presbyterian Church in
the United States of America,
and is trustee of Princeton The-
ological Seminary, Westminster
College and Lindenwood College.

Three Traffic Counts

Charges of driving while under
the influence of liquor, operating
a motor vehicle without a driver's
license and disobeying a
traffic signal light were placed
against Willard Miller, 38, of the
Travelodge Motel, who was ar-
rested Friday night at 21st and
Iowa streets. His hearing was
set for Dec. 16.

Military Career

A career military man after
his graduation from Madison
high school in 1929, he rose to
the rank of lieutenant colonel in
the Air Force from 1951 to 1963.
He attended Warrenton School
of Commerce at Washington, D.C.,
in 1934-35, Universal Business
Institute at Washington in 1937
and George Washington Universi-
ty in 1953 and 1954.

Portell said he feels that Re-
nnehaus was one of the most
efficient men in the county court-
house as chief deputy sheriff.
Ramach, 45, had served as desk
clerk for the Madison police de-
partment for eight years before
becoming chief deputy.

Ramach, 24, of Wood River,
has been criminal clerk for two
years. Portell said he has been
very efficient and deserves the
promotion.

He County officer said, "These
rather than political because to
hire men to these positions I
feel personal qualifications should
come before political
qualifications."

Man Reports Assault

Calvin Vaughn of the YMCA
reported to police that he was
beaten about 4:30 a.m. by a man
who followed him out of Kurt's
Grill on Madison avenue. Vaughn,
who said he was not hurt seri-
ously, did not give a reason for
the attack.

Drag Racer Complaint

A complaint was received about
10:40 p.m. Friday by Granite City
police that auto were drag rac-
ing in the vicinity of Princeton
and Yale avenues near the high
school. The area was toured,
but the racers were not located.

58ers 4-H Club Conducts Achievement Award Night

Certificates and achievement
awards were presented Thursday
evening to members of the Fifty-
Eighters 4-H club, who met in
the youth center at St. John
United Church of Christ. Plan-
ning also was completed for sev-
eral Christmas activities.

Club members arranged to
meet at 5:45 p.m. Thursday,
Dec. 22, at the Colonnades Nurs-
ing Home, where festive Christmas
bells will be presented to pa-
tients, followed with a caroling
session.

The group also made plans to
sing Christmas songs at the An-
chorage Homes, later adjoining to
St. John's youth center for a
special program and refresh-
ments. Members of the Quad-
City 4-H Club have been in-
vited to join the Fifty-Eighters
in their Yuletide activities.

Mrs. Robert Brave, club ad-
visor, presented record notebook
covers and first year achieve-
ment certificates to Patty Bade,

Portell Appoints Phipps Manager Of Clerk's Office

Willard V. Portell, clerk of the
circuit court of Madison county,
has appointed Virgil L. Phipps
of Granite City as office man-
ager and controller of all
branches of the circuit clerk's
office in the county.

He also announced the ap-
pointment of George Ramach
of Madison, outgoing chief deputy
sheriff, as deputy of the criminal
division of the circuit clerk's
office, and Michael Henkhaus,
present criminal clerk, is super-
visor probate, criminal and bond-
ing divisions. All are effective
today.

Portell said Phipps, who fills
a vacancy on the staff left with
the election of county Treasurer
John Maers, will be faced with
the fast increase in finances
and the responsibility of stream-
lining the accounting and office
procedure of the clerk's office.

Graduate Needed

Portell added that it has be-
come necessary to hire a college
graduate in commerce and fi-
nance and will enable him to
adopt some of the recommenda-
tions of the outside auditors,
county auditors and the finance
and officers committees of the
county board of supervisors.

"Phipps will be responsible for
all working procedures and
bookkeeping procedures in this
department," Portell said. "This
makes no change in the position
of the administrative circuit
clerk (held by Maers) of which
announcement will be made at
the first of next year."

Phipps operated Chicken by
Phipps in Granite City from
1946 to 1951. Prior to that, he was
vice-president of Mercantile
Mortgage Co., Granite City, in
charge of loan closings, for three
years.

Portell said he feels that Re-
nnehaus was one of the most
efficient men in the county court-
house as chief deputy sheriff.
Ramach, 45, had served as desk
clerk for the Madison police de-
partment for eight years before
becoming chief deputy.

Ramach, 24, of Wood River,
has been criminal clerk for two
years. Portell said he has been
very efficient and deserves the
promotion.

He County officer said, "These
rather than political because to
hire men to these positions I
feel personal qualifications should
come before political
qualifications."

Man Reports Assault

Calvin Vaughn of the YMCA
reported to police that he was
beaten about 4:30 a.m. by a man
who followed him out of Kurt's
Grill on Madison avenue. Vaughn,
who said he was not hurt seri-
ously, did not give a reason for
the attack.

Drag Racer Complaint

A complaint was received about
10:40 p.m. Friday by Granite City
police that auto were drag rac-
ing in the vicinity of Princeton
and Yale avenues near the high
school. The area was toured,
but the racers were not located.

LEAD DOG SERVICE is one example of aid given
blind persons through the Benevolent Blind Service,
Inc. Shown by the group's service truck are Rev.
Charles Ellis of East St. Louis and Ralph Parks of
Granite City. The group currently is seeking funds to
finance its 20th annual Christmas party for the blind.

Blind to Seek Donations For Annual Yule Party

Donations for the 20th annual
Christmas dinner party for Be-
nevolent Blind Service, Inc., will
be sought in the Quad-Cities
starting next Friday.

Alfred Murphy of Granite City,
a member of the BPS advisory
board, said the annual affair will
be held Dec. 21 at the National
Guard Armory in East St. Louis.
Persons taking part in the an-
nual dinner party will receive
Christmas treats, and there will
be toys for the children. Those
individuals confined to their
homes will be included in the
treat and toy distributions.

A portion of the donations will
be used to replace equipment
lost in a disastrous fire on Oct.
13 that destroyed the BPS ser-
vice headquarters in East St.
Louis. The center has been re-
opened in smaller quarters at 337
East Broadway in East St. Louis.
The store hours are from 8 a.m.
to 5 p.m. daily, and the products
made by the blind for sale in-
clude brooms, whisk brooms,

brushes, mops, door mats, rugs,
basket liners, clothespin bags,
leathercraft, artistic handwork,
cane chair weaving and piano
tuning.

The organization seeks clothing
for deserving men, women and
children, and also through dona-
tions provides a lead dog service
to its members.

Murphy said the annual Christ-
mas party is a big event in the
lives of the blind. He added that
the authorized individuals solicit-
ing funds for the holiday event
will carry proper identification.

**Two Motorists Charged
With Speeding in GC**

Two motorists were issued ar-
rest tickets in the 2800 block of
Madison avenue Friday morning
on charges of speeding.

Scheduled for hearings Dec. 18
are Randall Doorn, 71 Twenty-
seventh place, and Michael Wil-
liams, 2628 Circle drive.

Madison Lions Buy 40 School Patrol Signs

Madison Lions authorized the
purchase of 40 portable stop
signs for use by youngsters in
the Madison school safety patrols.
The project was approved Thurs-
day evening at a weekly dinner
meeting, held at the Sportsmen's
Club, Tenth and Iowa streets.
Costing \$3.50 each, the octa-
gonal signs are equipped with
long handles and will be used by
school patrol members to halt
traffic at crosswalks and inter-
sections adjacent to school build-
ings.

James G. Perdue, Lions presi-
dent, was in charge of Thurs-
day's business meeting, attended
by 19 members. Also discussed
were preliminary plans for a
celebration in observance of the
club's 25th anniversary. The
Madison service organization was
founded on Dec. 11, 1941.

The affair was tentatively
scheduled for February, with ten
past presidents appointed to serve
on the arrangement committee.
Walter Gavlick, immediate past
president, was named general
chairman.

Rewiring Courthouse Would Cost \$100,000

Under study by the county
board of supervisors is a possible
need to completely rewire the
courthouse at Edwardsville. Cost
of the project has been estimated
at \$100,000 to \$125,000.

A recent study by an insurance
firm shows that in many in-
stances, the electrical wiring sys-
tem is "overused," creating a
hazardous condition.

A request was made last week
for the county's new budget to
include \$125,000 for complete re-
wiring, but it is unlikely such an
amount would be available next
year.

With the increase of electrical
equipment in the offices, most of
the wiring is overloaded at pres-
ent, it was reported.

Wallet, \$16 Lost

Mrs. Fred Orr of Lynch ave-
nue reported to police Thursday
the loss of a wallet containing
\$16.

61 Bulbs Now Burning On Local 'Tree of Lights'

The Salvation Army's "Tree of Lights" campaign to provide food and gift baskets for needy Quad-City families today stands at \$1562, or about 20% of the \$8000 goal.

Applications have been received for approximately 600 baskets, a decrease from last year, when the figure reached a record-breaking 707, including many requests from families involved in a local industrial strike.

Contributions received since the drive was launched Dec. 3 have turned on 61 lights on the Salvation Army Christmas Tree in Memorial Park across from St. Elizabeth Hospital.

Processing of the 600 applications begins today at the Salvation Army office, Lt. Donald Wilson, commanding officer said. Notices will be mailed later to those whose requests have been approved. Catholic Charities began taking basket applications today and

Protestant Welfare will start accepting applications Thursday. Both organizations will continue to accept requests for Yule tide baskets until the week of Dec. 18.

Neither organization has a separate fund for a Christmas project, it was explained. However, each receives gift baskets from the Girl Scout "Festival of Giving" and provides names to numerous groups, such as schools, business firms, clubs, churches and labor unions which request them. All applications are coordinated with a master list of applicants compiled by the Salvation Army.

Latest contributors to the "Tree of Lights" whose donations turned on a 52nd light, include:

Mr. and Mrs. T. W. Kelso, anonymous; Illinois Power Co.; Notices will be mailed later to those whose requests have been approved. Catholic Charities began taking basket applications today and

Three Granite Cityans Enlist in Army

Three Army enlistments by Granite Cityans were announced today by SFC James E. Maddox, local recruiter who has his office at 1340 Niedringhaus avenue.

Undergoing basic training at Fort Leonard Wood, Mo., are Robert G. Scharf, son of Mr. and Mrs. William H. Scharf, 2323 Palmer avenue; Allen C. Orabood, son of Mr. and Mrs. Ray Orabood, 2538 East 25th street; and Charles Stimac, son of Mr. and Mrs. Charles A. Stimac, 1414 Grand avenue.

Scharf, a former two-year SIU-SW campus student, will join his brother, Alan, in Seattle, Wash., for further training in air defense, the same assignment requested by Alan when he enlisted last March.

Orabood, a 1968 high school graduate, will train in airborne communications, and Stimac, a 1965 high school graduate and former SIU-SW campus student, will attend the Army's pay disbursing specialist school.

Auto-Truck Accident At 23rd and Madison

Involved in a collision Friday evening at 23rd street and Madison avenue were a truck operated by Jerry Varady, 2234 Lee, avenue, and an auto driven by William Fronabarger, 2042a Iowa street.

Police said both vehicles were traveling south and that the truck, which was making a left turn, was hit in the rear by the auto. Fronabarger told police a bottle of pills had fallen from behind the sun visor of his auto and he was trying to pick it up when the accident occurred.

Car Damaged on Bridge

A car driven by Luke H. Henon, 28, of St. Louis, was damaged extensively at 4:20 a.m. Sunday when it ran into bridge railings on the west end of McKinley bridge. Venice police said Henon was headed west on the bridge when his car struck the bridge on the west end curve and careened into both sides of the bridge. The car was damaged on the right and left sides and front.

MISS MELBA REIS of Granite City and Steven King, president of the National Ballroom Dance Association, who will dance the "Gaucho" tango at the first National Ballroom Dance Festival ball to be held next Sunday in St. Louis.

Nat'l. Ballroom Dance To Feature Miss Reis

The first National Ballroom Dance festival ball will be held next Sunday at the Sheraton-Jefferson Hotel, St. Louis, and Miss Melba Reis of Granite City will dance the "Gaucho" tango with Steven King of the Dance Ambassadors, president of the National Ballroom Dance Association.

The program also will feature exhibitions of dancing including the nation's winning ballroom dance team, James Lyons and Miss Penny Sousa of New York. They will represent the U. S. in ballroom dancing next year in the World Olympics.

The association's function is to promote public acceptance of and

Traffic Light Charge

Terry Greathouse, 1922 Benton street, was issued an arrest ticket early Saturday on a charge of disobeying an electric traffic signal at 26th street and Madison avenue. He is to appear for a hearing Dec. 16.

Two Traffic Charges

Richard Taylor, 2223 Benton street, was arrested Saturday afternoon on charges of speeding and operating a motor vehicle without a driver's license. He was released on \$225 cash bond.

Mrs. Agnes Jones, 89, Former Resident, Dies

Mrs. Agnes Ann Jones, 89, of Rural Route One, Bourbonnais, Ill., a former local resident, died at 9:30 p.m. Thursday in St. Mary's Hospital, Kankakee, Ill. She had been ill ten days and was a patient at the hospital for the same period of time.

Mrs. Jones had resided in Granite City 40 years before moving to Kankakee, where she lived for six years. Recently, she had made her home with a daughter, Mrs. May Whitt, of Bourbonnais. She was born at Blaine, South Wales. While living here, Mrs. Jones attended Grace Baptist Church. Her husband, Nicholas Jones, died in 1941.

Besides Mrs. Whitt, she is survived by two other daughters, Mrs. Ethel Westbury of Gary, Ind., and Mrs. Thora Mohl of Granite City; two sisters, Mrs. Sarah Williams of Moose Jaw, Saskatchewan, Canada, and Mrs. Marian Witson of Felixstone, England; six grandchildren and six great-grandchildren.

Funeral services were held here today. Details are given in the obituary column.

Police Find Car Parked In Middle of 20th St.

Police were notified about 5:45 a.m. Saturday that a car was parked in the middle of 20th street near the railroad tracks.

Officers arrested David Daniels, 24, of 518 Main street, Venice, on charges of parking so as to congest traffic and illegal transportation of liquor. A hearing date was set for Dec. 13.

Youth Arrested Sunday Faces Four Charges

Four charges were placed against a 17-year-old youth about 2:45 a.m. Sunday after police were called to 2127 Delmar avenue because of a disturbance.

Charged with disorderly conduct, intoxication, profanity and resisting arrest was William Owens of 2127a Delmar avenue.

Man Exposes Person In Telephone Booth

Police cars went to the telephone booth at 27th street and Madison avenue about 3:30 p.m. Friday on a complaint that a man in the booth was exposing his person.

The man fled before police arrived.

Hit-Run Accident

A car driven by Robert E. Dawson, Caseyville, was damaged at 7 a.m. Saturday when struck by a hit-run driver at Second street and McCambridge avenue in Madison. Dawson told Madison police he was making a left turn onto Second street when his car was struck in the right rear by a car whose driver fled the scene.

Holiday Theme For Guild Meeting

A luncheon at noon preceded the business meeting and program of the Afternoon Guild of St. Peter United Church of Christ Thursday.

The tables were decorated with evergreens, red candles, and pine cones with miniature Santa Claus heads and deer made of soap serving as favors.

The Fellowship Hall also was decorated for the holiday season, and a large lighted Christmas tree was the center of attraction. Christmas music was played during the luncheon.

The program, in charge of Mrs. Estelle Monken and Mrs. Dorothy Buente, was highlighted with a review of the book, "How Far To Bethlehem," by Novak Lofte, given by Mrs. Buente, and there was special vocal music by Mrs. Leola Arbogast, Mrs. Ruth Christopfer, Mrs. Juanita Pett, Mrs. Ella Mae Harsh and Mrs. Mabel Davidson, accompanied by Mrs. Florence Hadadler. The title was "There's A Beautiful Star."

Mrs. Rose Kaburek presided over the business meeting, during which reports were given by committees. Mrs. Idora Barke displayed the "sweet treats" arranged for the shut-ins and boys from the church who are in service. Mrs. Theresa Dugger and Mrs. Catherine Cornelison, chairmen of the Social Concerns committee are in charge of preparing baskets for Protestant Welfare was made by the Guild for this purpose.

Mrs. Buente, Christian world mission chairman, reported stewardship material ready and work would begin on the project in January. This is an annual contest sponsored by the National Stewardship committee of the United Church of Christ. Poems, hymns, plays and posters are submitted each year from the fifth grade through adult ages and are judged from local, conference and national levels. The past year Daniel Monken of St. Peter's Church was winner of the fourth place on the national level for a poster.

Among special coming events announced at the meeting by Rev. Robert Baumann, pastor, was the 150th anniversary of the American Bible Society Dec. 11; the children's Christmas program and a vespers service Dec. 18; the Christmas Eve candlelight service and the usual church services and Communion Christmas Day.

The Guild will serve coffee and cookies to the workers on Dec. 11 when the "hanging of the greens" will take place. Three guests were present Thursday afternoon for the program and meeting. They were Mrs. Peggy Sheaffer of St. Louis, Mrs. Thelma Markgraf and Mrs. Kathryn Taylor.

The January meeting will be in charge of the Social Concerns

ENGAGED. Miss Bernadette Sabol, whose parents, Mr. and Mrs. Andrew P. Sabol, 1014 Alton avenue, Madison, are announcing her betrothal to the Capt. Kenneth V. Bresley, a son of Mr. and Mrs. Virgil Bresley of Mount Prospect, Ill. The wedding date is indefinite.

Past Matron Club Holds Yule Party

The Rose Bowl was the scene of the annual Christmas party of the Past Matrons Club of Granite Chapter 650, Order of Eastern Star, Thursday evening.

The tables were appropriately appointed, and Mrs. Hulda Griffith, presided over the meeting which followed the dinner.

There was the usual gift exchange among the group, and games with a number of prizes awarded.

Among those attending were Mesdames Dorothy Fitzpatrick, Arline Fox, Virginia John, Mary Ellen Lewis, Hannah Kleinschmidt, Esther Magness, Kathryn Roman, Griffith, Clara Harbig, Blanche Leuchter, Laura Reimers, Ruth Dick, Laura Lu Purcell, Golda Bieser, Hazel Wood, Fanny Bodman, Florence Spahr, Sophie Barney, Ethel Reed, and Ida Carriss.

The first meeting in the new year will be held in the home of Mrs. John.

committee and a film will be shown.

Committee chairmen at Thursday's party were Mrs. Mae Gering, decoration; Mrs. Hulda Davis, dining room, and Mrs. Elsie Branding, kitchen.

Miss Sabol Is Engaged

The engagement of Miss Bernadette Sabol to Capt. Kenneth V. Bresley, now stationed in Vietnam, is announced by her parents, Mr. and Mrs. Andrew P. Sabol, 1014 Alton avenue, Madison. The prospective bridegroom is a son of Mr. and Mrs. Virgil Bresley of Mount Prospect, Ill.

Miss Sabol, a graduate of the Madison schools, is employed as a personnel clerk for the Depot of Army, AVCOM, in St. Louis. Capt. Bresley attended Marmon Military Academy and Loyola University in Chicago. He is a member of Blue Key national honorary fraternity and is listed in Who's Who in American College.

Wedding plans have not been made.

I have been very happy since I bought Accutron. Yesterday, I called a radio station and told them their clock was wrong.

Hardly a day passes that we don't hear of another little triumph by an Accutron owner.
Nice, warm, little victories over Them.
The Accutron owner knows the time is not 4:52 but exactly 4:51 and 10 seconds, and the feeling is wonderful.
This new assurance all comes from a little tuning fork, which Bulova uses in the Accutron movement instead of a balance wheel.
It splits every second into 360 parts. And the time you keep is so precise we guarantee you'll be right within a minute a month.
An average of 2 seconds a day.
In fact, the government uses Accutron movements as timing devices in satellites.
But—start small first. Take on a radio station. The world can wait. Come in and we'll make an Accutron fan out of you. Accutron by Bulova. From \$125

Odis F. Rose, 65, Dies in St. Louis

Former Madison resident, Odis F. Rose, 65, of 300 South Park street, Troy, Ill., died of a three-month illness at 8 p.m. Saturday in St. Luke's Hospital, St. Louis, where he had undergone surgery the previous day. He was transferred to St. Luke's about 27 days ago, after his condition deteriorated following an earlier operation for removal of gallstones at the Highland hospital.

Employed as a welder at General Steel Industries for many years prior to becoming ill, Mr. Rose was a member of Boiler-makers' Union, Local 530 of Granite City, and the Madison County Beagle Club. His hobby was breeding and training hunting dogs.

Mr. Rose resided in Madison from 1923 until moving to Troy in 1951. He was born at Birch Tree, Mo., and attended the Assembly of God Church in Marysville. He was a former Granite City Steel Co. employee.

Surviving are his wife, Mrs. Beulah G. (Carr) Rose; three sons, Edwin H. Rose of Florence, Tex., Harold D. Rose of Troy, and Raymond D. Rose of Clearwater, Fla.; two daughters, Mrs. Marcus (Edith) Bradford of Edwardsville and Mrs. Frank (Ruby) Nantley of Elkhart, Mo.; two brothers, Luel O. Rose of Madison and Leland Rose of Granite City; three sisters, Mrs. Theodora (Eula) Simons and Mrs. Bertram (Glenn) Williams, both of Granite City, and Mrs. John (Pearl) Deloney of Troy; and 14 grandchildren.

Funeral arrangements are given in today's obituary column.

Barton Sees 10% Tax Increase, No Assessing Rise

Tax bills next spring will be higher than this year, possibly by 10%, Granite City Assessor James W. Barton told 15 representatives of local lending institutions and real estate brokers Thursday. The meeting was held at the Chamber of Commerce-Associated Retailers board room.

Attributing the probable hike to increased spending by government agencies, the assessor said he felt it was important to discuss it with realtors and lending institutions, since many property owners pay their taxes into escrow accounts.

No basic changes have been made in the local assessing level, Barton said, adding that new construction is responsible for higher total assessed valuation.

Barton said that the community unit school district, which accounts for 61 cents of each tax dollar, is increasing its expenditures due to growth and salary raises. Madison county is boosting its general, juvenile home and mental health taxation, he noted.

No rate changes are anticipated for the township and levee district, Barton said. He commented that the level of city spending will depend to an extent on state rate limit rulings.

Announce Birth Of Daughter

Mr. and Mrs. Ronald C. Davis, 805 Washington avenue, Madison, are announcing the birth of a daughter Friday at Bellevue Memorial Hospital.

The baby, whose weight was eight pounds, one ounce, has been named Michelle Aletta.

Blower Motor Shorts Out

A short circuit in a furnace blower motor at the home of Stanley Noe, 123 Briardale, caused damage of \$40 at 11:40 a.m. Thursday, the fire department reported.

Arrested for Speeding

Arrested for speeding at Pershing avenue and Nameoki road at 1:30 p.m. yesterday, was Louis J. Ramirez of East St. Louis, who is to appear by Dec. 15.

Expect to Sell 100,000 Christmas Postage Stamps

"Every envelope bearing the 1967 Christmas postage stamp will be a masterpiece," Granite City Postmaster W. T. Overbeck said today.

The special holiday stamp is a replica of a painting by Hans Memling, Flemish master of the Renaissance Era, now hanging in the National Gallery of Art in Washington, D.C.

The five-cent stamp, which is now on sale at the Granite City post office was designed from the central portion of Memling's oil, "Madonna and Child with Angels," which was painted on wood about 1480.

Postmaster Overbeck noted that use of the stamp for the

sending of greeting cards assures the cards will be forwarded if the addressee has moved or if the return address is a return address.

This is the fifth in a series of holiday stamps and the postal service expects it to be another record breaker. The initial print order was for one billion, two hundred million stamps.

The postmaster estimated that 100,000 of the stamps will be sold locally.

The stamp design was unanimously recommended to Postmaster General Lawrence F. O'Brien by the Citizens' Stamp Advisory committee, which passes on all stamps.

MORE ABOUT County Officers

The list was headed by Frank Schmidt jr., a retiring Alton police officer, as chief deputy. Granite City police Chief Ray Willard, who is to retire Jan. 1, was named deputy for the Quad-City area. Mrs. Margaret Johnston of Granite City was appointed office secretary, a position she held with Musso when he was sheriff from 1958 to 1962.

90% Retention

The appointment list indicated about 90% of the staff of outgoing sheriff Barney Fandruff has been retained, but Musso pointed out all employees are on "probation" status.

Retained as cooks at the jail are Ola Jobe Jones of Venice and Beulah Williams and Jodel Collins, both of Madison. Janitor reappointed by Musso include James Treadway of Madison.

Other employees from the Quad-City area include Rose Ann Koeller of Venice, an office employee.

Virgil Phipps of Granite City originally was named as a new employee in Musso's list of appointments, but it was reported today that Phipps declined the appointment and a replacement will be named.

Maerz has also announced he plans no personnel changes in the treasurer's office. Maerz deputies were not sworn in immediately, but were expected to take their oaths from Miss Hoz during the day.

MORE ABOUT 1500 Girl Scouts

ginia Marlette, Three; Mrs. Zoe Schofield, Four, and Mrs. Joyce Sikorski, Five.

There were remarks at both programs by Mrs. Doris Votaw, district chairman, and Miss Vida Funderburk, River Bluffs Council executive.

In a surprise presentation at Madison, Lester Skelly was presented with a certificate by Mrs. Bernadine Weidner of Troop 3 for his services to the troop for the past five years.

In the basket presentation ceremonies, Rev. John Treese of Sacred Heart Church received the baskets at the Madison center for Catholic Charities. In the Memorial Gym ceremony, the welfare agency representatives were Roy Lynn of Protestant Welfare, Jack Absalom of the Red Cross and Lt. Donald Wisor of the Salvation Army.

Niece of GC Man Killed in N.Y. Crash

Robert Margeson, 3156 Aubrey avenue, received word early today that his niece, Miss Elaine Margeson, 29, was killed last night in a head-on auto collision near her home in Westchester county, N.Y.

A daughter of Mr. and Mrs. Arthur Margeson of New York, Miss Margeson was a student nurse. She was a cousin of Mrs. Ethel Zimmer, 2238 Westchester drive. No further details of the accident were available.

Speeding Ticket

Gary R. Taylor, 28, of 1803 Fifth street, Madison, was issued an arrest ticket on a speeding charge at 7:10 a.m. today at 2200 Madison avenue as police operated a radar unit.

Bystander Wounded In Shooting Mishap

Wayne Koller, 20, of 2017 Fifth street, Madison, was wounded in the left thigh with a .22 caliber pistol bullet late Saturday night when the gun accidentally was discharged at the Madison Moto Service station on Route 203 at the foot of McCormick avenue viaduct.

Koller was treated at St. Elizabeth Hospital and then transferred to Christian Welfare Hospital, East St. Louis, where he is scheduled to undergo surgery for removal of the bullet tomorrow.

Koller's mother, Mrs. Ruby Hardy, said her son told her that the pistol was discharged while an attendant at the service station was showing it to a friend.

Koller said he had stopped at the station to buy cigarettes and was talking to a companion when the pistol struck him, Mrs. Hardy related. The incident occurred about 11:15 p.m. Saturday. The sheriff's office had no report of the incident.

2 Army Depot Employees Attend Purchasing Course

William G. Bunselmeyer, 1741 Venice avenue, and Mrs. Rodger L. Wright, 3265 Aubrey avenue, are enrolled in the defense small purchase course at the Navy Electronics Supply Office, Great Lakes, Ill.

Bunselmeyer is a supervisory supply clerk and Mrs. Wright is a procurement clerk in the Granite City Army Depot.

The small purchase course is designed to provide defense purchasing personnel with simplified, time-saving procedures, based on the Armed Services Procurement Regulations. Purchasing material usually valued at \$2500 or less.

Attend Meeting in Springfield

Stanley Coleman, historian of the state executive board, Mrs. Rosalia Jenkins, president of Elite Affiliate 33, Hairdressers and Cosmetologists Association, and Sharon Lenzi, financial secretary of Affiliate 33, were in Springfield today to attend a day-long meeting of the state organization.

Responsibilities of the officers were discussed at the meeting, as were policies of the Association in assisting hairdressers in improving themselves, their work and their business.

Wall Aboard Enterprise On 5th Anniversary Fete

Airman Apprentice Virgil P. Wall sr., of 918 Grand avenue, Madison, Ill., is one of more than 3000 crewmen helping to celebrate the 50th birthday of the nuclear-powered aircraft carrier, USS Enterprise, the world's largest warship, during a port visit to Hawaii.

The 90,000-ton attack carrier departed her homeport at the Alameda, Calif., Naval Air Station in mid-November and has been undergoing operational readiness exercises in the vicinity of the Hawaiian Islands.

Auto Turns Left, Hit

While making a left turn into a driveway at 2662 Edwards street, an auto driven by William Brookshier, 911 Twenty-fourth street, was struck in the rear by another driven by Troy Howell, 2512 Jerden avenue, at 12:35 p.m. Sunday.

Thomas Condition Good Following Fall, Surgery

Milton Thomas, 21, of 1647 Seventh street, Madison, is in good condition today at St. Elizabeth Hospital, where he is recuperating from a severe hip injury suffered Nov. 26 when he fell 20 feet and was impaled on an iron fence post at the home of his uncle, Otis Scholebe, 1705 Courtenay blvd. He underwent surgery that night.

Thomas, who had planned to observe the first birthday of his son, Milton jr., on the day he was hurt, had been in the process of cutting down a tree in the Scholebe yard. While he was trimming branches near the top, a limb broke, causing his fall. He is an employee of the Wagner Seven-Up Bottling Co.

Navy Airman Larry Hecht On West Pacific Patrol

Airman Apprentice Larry A. Hecht, USN, son of Mrs. Doris Hecht, 2312 East 24th street, they L. Hecht of 2312 East 24th street, is currently patrolling the Western Pacific with the United States' Seventh Fleet, aboard the attack aircraft carrier USS Kitty Hawk, homeported in San Diego.

The 80,000-ton carrier left home in early November for "Yankee Pac," just four and a half months following her June return from eight months off the coast of Vietnam.

Hit-Run Accident

Walter Shewmake of East Alton reported to police that as he was driving his pickup truck on 20th street near Edison avenue Saturday, it was struck by a hit-run auto making a left turn.

Auto Battery Stolen

A 12-volt battery was stolen Saturday from the 1966 auto of Willis Douglas, 2308 Pershing avenue, while the car was parked at his home.

Home notes

By Mrs. Catherine R. Mauck
Madison County Home Adviser

Look What's Coming Up
Awed recollections of the then-and-now variety are not to be reserved for today's senior citizens. If the educated guesses of scientists and inventors become realities, many of the present labor-saving devices will undergo such revolutionary changes within the next 10 or 20 years that homemakers will look back upon 1966 as a year of hard labor by comparison.

Speaking at a national convention of home economists, an appliance company executive discussed some of the wonders to come. While none of the devices he described are now in production, he asserted that the knowledge and technology for creating them do already exist. It is a matter of time—and not too much time—until many of his crystal ball improvements will be incorporated into standard household equipment.

Perhaps one of the first dreams

Goebel-Parkview-Wilshire Lighting is Proposed

Plans for a street lighting district to serve the Goebel, Parkview and Wilshire subdivisions were announced today by a committee headed by Coleman Beatty and including Jerry Adams, Roger Vail and Michael Repoc. Petition are being drawn up to be circulated in these areas.

A tax rate estimate has not yet been made. It is proposed to put a street light at each corner, and one in the middle of long blocks. An open meeting on the plan is to be held at 7:30 Monday, Dec. 12, at the Ropac home, 3305 Village lane.

Auto Windshield Broken

Donald Cook, 2676 Grand avenue, reported at 4:35 p.m. Sunday that vandals broke the windshield of his 1959 auto while it was parked in front of his home during the night.

Habitual worry simply puts the headlight on the tail-end.

COUNTY BAR GROUP HOLDS XMAS PARTY
Attorneys from the Quad-City area, together with others from nearby cities, took part Friday evening in the annual Christmas party of the Madison County Bar Association at the Play Boy Club in St. Louis.

Approximately 85 members and their wives attended the event. A comedian, a singer and a band provided entertainment. Atty. Donald Rickel of Highland is president of the county organization. The Tri-City Bar Association will hold its party Dec. 19 at Tony's restaurant. George Filcoff heads that group.

Faces Two Charges

James Williams, 39, of 2333 Rock road was arrested at his home about 8:30 p.m. on charges of disorderly conduct and intoxication.

TWO BROWNIES INVESTED

Brownie Troop 127 met Wed. night at the home of Mrs. Rose Leibold, assisted by Mrs. Mary Mothershead. Brownies invested were Jo Donna Hensley and Cheryl Turner.

Two new members welcomed into the troop were Tammy Jones and Tammy Rezer. The girls made plans for the Festival of Giving.

Present were Sandy Pierce, Barbara Bradshaw, Barbara Mothershead, Susan Gifford, Connie Janco, Brenda Jones, Annette Jones, Janet Parker, Susan Leibold, Tammy Jones, Tammy Rezer, Jo Donna Hensley, Cheryl Turner and guests, Mrs. Hensley and her niece and Mrs. Turner.

TENTH BIRTHDAY

OF DEBRA HAND

Debra Hand celebrated her tenth birthday Saturday with a party given by her parents, Mr. and Mrs. John Dale Hand, 3801 B street.

A small Christmas tree, crepe paper, Japanese lanterns and a balloons decorated the basement. A candy house cake, merry-go-round cake and rose cake centered the table.

Games were played, with prizes going to Jim Leskey, John Hand and Karen Ebrecht. All the girls won prizes in a

balloon race against the boys.

Refreshments were served to Mr. and Mrs. John W. Hand, Mrs. Susan Montgomery and children, Bobby, Laura, Mark and Mike, Miss Ruth Hand, Jena, Donna and Michael Cox, Nancy Miller, Debra Harvey, Steven Mikolaszuk, Mrs. Miller Hand and children, Sally and Burl, Karen Ebrecht, Mrs. Charles W. Moerlein, Mrs. Carol Moerlein and children, Mark, Mike and Mignon, James, Jeff and John Laskey, Jeannie Carver, Roger McDonald, Mrs. Janis Reinhardt and children, Larry, George and Bryan, Mrs. Mary Pilger and son, Craig, of Ohio and Debra, John, Dennis, Melody and Kimberly Hand. The honoree received many gifts.

FIREMEN, AUXILIARY HOLD HOLIDAY PARTY

Long Lake firemen held their Christmas party Saturday night at the Lewis and Clark restaurant.

Those present were Mr. and Mrs. Jack Harper, Mr. and Mrs. Charles Faltner Jr., Mr. and Mrs. Charles Kennerly, Mr. and Mrs. Fred Rezer, Mr. and Mrs. Don Patterson, Mr. and Mrs. Robert Mikolaszuk, Mr. and Mrs. Chester Anderson, Mr. and Mrs. Otto Kreher, Mr. and Mrs. How and Green, Mr. and Mrs. John Karlechik, Mr. and Mrs. Earl Young, Mr. and Mrs. Jacob Getteman, Mr. and Mrs. Gene Heolter, Mr. and Mrs. Robert Sobczak, Mr. and Mrs. Les Wilkerson, Mr. and Mrs. Harold McBride, Mr. and Mrs. Herman Barker, Mrs. Edna Barron and Mr. and Mrs. Earl Arnold. Later in the evening they were joined by Mr. and Mrs. Don McNew.

CREDIT UNIONS TO MEET

The Southern Illinois Chapter of Credit Unions will meet at 7 p.m. Thursday in the officers' club of the Granite City Army Depot.

Hosts will be GCAB, N and W, formerly the Nickel Plate Cloverleaf Credit Union; Dow Chemical; School Teachers of Granite City District 9; Granite City Steel Employees Credit Union; General Steel Employees Credit Union; and a Smithway Credit Union.

A meal will be served and there will be a short business meeting. A Christmas party for the credit union will be held.

Cadet Girl Scouts of Venice met Friday at the Venice public school. The meeting opened with the scout promise.

The girls made ornaments for the Festival of Giving held Sunday at the Madison recreation center. The meeting closed with "Taps."

SCOUTS VISIT FIREMEN

Boy Scout Troop One met Saturday morning at the scout home with Fred Rumpf, scoutmaster; Rufus Ochoa, assistant scoutmaster; and Jack Tolliver, committee chairman.

The troop went to the Venice fire hall where Mike Leatherman, Harold Koelker sr., and Linton McCoid gave talks and demonstrations on various causes of fires. A question period was held.

Attending were Phil Daniels, Dwayne Georgeff, David Scaturro, Gary Blina, Al Pace, Terry Rumpf, Jim Ohlendorf, Danny Maurer, Dale Georgeff, Mike Dixon and Mary Dixon and Jane Ochoa.

Fire in Couch Causes \$350 Damage Saturday

Firemen from the main station were called at 8:10 a.m. Saturday to the apartment of Mrs. Carol Young, 2004 Grand avenue, where a living room couch was ablaze.

Damage to contents was set at \$150, and there was \$200 smoke damage to the two apartments in the two-story brick structure. At 1:40 a.m. Sunday, firemen responded to a false alarm of a reported auto blaze at 24th street and Washington avenue, and at 2 p.m. Saturday, West Granite firemen were summoned to the frame home of Raymond Kidwell, 2203 Illinois avenue, where a hot water tank had sprung a leak. There was no fire damage.

on, Tony Ochoa, William Parker, Mike Mangi, Mike Scaturro, Fred Leatherman, Mark Koelker, Mike Malherke, Lawrence Caruso, Mike Bilbrey and Tom Hooks.

The Venice Crippled Children's Organization will meet Wednesday at 7:30 p.m. at the Venice city hall.

PLAN CHRISTMAS PARTY

The Venice Social Club Auxiliary met Wednesday night at the club. The meeting was conducted by Kate Buchele, and committee members gave reports.

A combined Christmas party and meeting will be held Dec. 21. Secret pal and guest gifts will be exchanged.

Hostesses for the meeting were Peggy Cochran and Lettie Kelly. Games were played and prizes were won by Ann Harden, Julia Goclam, Blondie Dillon and Kate Dwayne Georgeff.

Others present were Mayme Dempster, Catherine Konvicka, Mary Dixon and Jane Ochoa.

MERRY CADETTEs of Troop 231 singing Christmas songs at the Girl Scout "Festival of Giving" yesterday afternoon in Memorial Gymnasium of Granite City, the Salvation Army and the Red Cross.

Burglar Fails After 4 Tries to Enter House

A burglar tried four times to get into a house at 1822 Edwardsville road Sunday afternoon, but was forced to flee northbound car driven by J. D. Sible of Collinsville.

Madison police said the burglar attempted to pry open a bedroom window on the east side of the house. Failing that, he tried a window on the southeast side. It wouldn't open either, so he smashed the glass out of a basement window and was trying to open the window when a man came out of his house across the alley. The would-be thief ran down the alley.

Officers, investigating, said gain entry.

Autos Collide

Involved in a collision Saturday night at Niedringhaus and Madison avenues were a westbound auto driven by Ronald Jacobs, 4201 East Lake drive, and a northbound car driven by J. D. Sible of Collinsville.

Drives Around RR Gates

A charge of driving around lowered railroad gates at the 22nd street crossing was placed against Clarence Hoffman, 2471 Center street, who was issued a ticket Friday evening. A hearing was set for Dec. 20.

They also found pry marks on a patio door, but it too had stood the burglar's efforts to gain entry.

Monday—Chili with crackers, peanut butter sandwich, celery sticks, applesauce cake.

Chief Executive Plan for Counties Reviewed by Prof

The benefits of an elected county chief executive as contrasted with county manager or county administrator plans are explored in an article by Thomas D. Wilson, assistant professor of political science at Illinois State University, in an article appearing in the current issue of the National Civic Review, published by the National Municipal League.

Wilson points out that while much attention has been given to the appointed administrator type of executive officer, there are some counties where the political climate would be such that it would not support the county manager plan, or where legal provisions would not allow it to operate effectively.

"The county manager plan," he said, "may be the solution for the growing problems of some counties, but one must question whether it is the 'cure-all' for all counties. At a time when county government is growing in importance, it is desirable to exchange information and note the merits and demerits of the various county reorganization plans. In the total picture, the elected county executive plan deserves further study."

Wilson stated that it appears some improvement in management of counties can be secured through executive reorganization, particularly in urban counties confronting the problem of providing increased services.

Nearly all Illinois counties are governed by a board of township supervisors. Cook county does operate under a limited type of elected chief executive plan, with the president of the county board given certain powers of appointment and a limited veto power.

At present, Wilson reports,

Auto Windows Broken; Four Youths Charged

Four youths were arrested early Sunday by Venice police and charged with destruction of property and disorderly conduct. Police said windshields and windows in several cars were smashed with damage totaling about \$600, and a witness gave officers the license number of an auto in which a group fled after a window and headlights of an auto were broken in Madison.

Part of an auto jack bearing fragments of glass was found in the youths' auto. Charged were Robert Davinroy, 20, of 1229 Klein street; Howard Black, 18, of 201 Abbott street; Larry Crader, 21, of 515 Washington avenue, and Paul Callender, 18, of St. Mark's Rectory.

The auto damaged at 10th and Iowa streets was owned by Ronnie Pier of Venice.

Police also received reports of damage to autos of Pete Foote at Second and Granville streets; Floyd Painter, 327 Jefferson street; Bobby Joe Ponce at Sixth and Fillmore streets.

An auto belonging to a teacher, Mrs. Walter Duke of Caseyville, left at the school over the weekend had the rear window and a left window smashed and the windshield shattered, police said.

Dog Causes Crash

Charles Johannmeyer of 4 Country Lane court was driving on Johnson road when he stopped his car suddenly to avoid hitting a dog, and the rear of his car was struck by a car driven by Richard Grotefend, 2089 Pontoon road, Saturday afternoon.

There are only 12 counties in the United States, none in Illinois, with a chief executive elected by the people in the entire county, with the president of the county board elected separately from the county governing body and designated as chief executive with legal authority to exercise a considerable degree of executive power.

Optimists Hear How Clean Air Curbs Can Hit Individuals

Future air pollution abatement regulations undoubtedly will involve the individual as well as controls for industry and commercial enterprises, Donald F. Cairns, Granite City Steel Co.'s blast furnace engineer, told members of the Granite City Optimist Club Thursday.

Pointing out two specific examples of probable future restrictions that will directly concern the individual, Cairns cited more stringent controls on fumes from private automobiles and elimination of open burning of leaves by home owners.

Both conditions are recognized as contributing factors in air pollution, Cairns said adding that studies are being made to determine the quickest and most feasible steps to eliminate the problems.

The speaker said probably within two years legislation will be enacted requiring all automobiles to be equipped with a crank case "blow-by" device. Cairns estimated that such a device would add approximately \$8 to the cost of a new automobile, thereby adding a cost factor to the individual.

Under study in many communities are ordinances prohibiting the burning of leaves, described as a major factor in producing high pollutant readings, especially during the fall months, he said.

Cairns briefly described the \$3½ million equipment addition now being installed as part of the new basic oxygen furnace at Granite City Steel Co., which he said would decrease the amount of smoke from the steel-making operation and completely eliminate the orange-colored smoke now visible from the plant's present open hearth stacks.

The guest speaker recently was installed as president of the Industrial Waste Control Council, a group composed of 85 major industrial industries and five business and trade associations in the St. Louis metropolitan area.

In other business at Thursday's luncheon meeting held in the YMCA, Richard Ervay was installed as a new member and Vernon C. Tharp, YMCA general secretary, was welcomed as a transfer member from the Racine, Wis., Optimist Club. Thirty-six were in attendance.

Wilbert Triebes, Optimist president, announced an executive board meeting for 5 p.m. today at the Metropolitan Life Insurance Co. office.

Crash in Congestion

Congestion Saturday afternoon on the Bellemore Village shopping center lot resulted in a collision of two autos. Involved were Mildred Dallas, 3015 Buxton avenue, who was going south, and Garland Parker of Staunton, who was traveling east.

2 Speeding Tickets

Arrest tickets were issued Saturday afternoon to two motorists charged with speeding on Madison avenue. They were James Russell of Joplin, Mo., and Gary Oram, 2453 Morrison road.

Accident on Madison Ave.

Autos driven south on Madison avenue by John Beasley, 2705 Lincoln avenue, and Thomas D. Smith, 2428 Roney drive, were involved in an accident Saturday afternoon near 12th street.

ident, announced an executive board meeting for 5 p.m. today at the Metropolitan Life Insurance Co. office.

At this week's meeting, administrative officials from Shriner's Hospital for Crippled Children in St. Louis county will discuss the program at the hospital and show films, Triebes said. The hospital administrators will be accompanied by representatives from Ainsat Temple, East St. Louis.

GC Man Found Slumped In Car Near Pontoon

A Granite City area man, 45, was found slumped over the wheel of his auto, the apparent victim of carbon monoxide poisoning, by a deputy sheriff who answered a call Thursday night in front of 29 Kaseberg Park after a dispatch was relayed by Pontoon Beach police.

The doors of the 1961 auto were locked and the windows closed and the man did not respond. After another deputy arrived, a coat hanger was used to open the door. The man taken to St. Elizabeth Hospital by ambulance where he was examined and released.

A nearby resident told the deputy the car had been there three minutes with the motor running and the lights on. There was an odor of exhaust fumes in the car.

Auto Windows Smashed

Randall Scrum, 1619 Second street, reported to Madison police early Sunday that while his 1956 auto was parked near his home vandals hurled pieces of concrete blocks through the rear window and two windows on the left side.

AWNINGS — G. C. GLASS CO., 18th & Edison, TR 7-5400.

Minor is Charged

Stephen Wayne Underwood, 18, of 135 Kinder lane, was arrested Saturday night on a tavern parking lot at Fourth street and Madison avenue on charges of illegal possession of nine quarts of beer and a half pint of whiskey with purchase of liquor by a minor. His hearing was set for Dec. 21.

Give someone a piece of a satellite this Christmas.

Give someone an Accutron® timepiece. It has the same basic movement as the timing devices aboard the Explorer, Telstar, TIROS, Syncom, and Pegasus satellites. And the Gemini spacecraft. Vibrations of a tiny tuning fork divide each second into 360 equal parts. And keep the Accutron timepiece right to within a minute a month . . . an average of two seconds a day! No watch is guaranteed as precise. And no watch on earth is as well received as the timepiece of the astronauts.

ACCUTRON SPACEVIEW "H" Yellow case top, stainless steel back, waterproof, luminous hands and dots, adjustable band. \$350.00

ACCUTRON CALENDAR "A" 24K gold, waterproof, silver radial brush dial, brown leather strap. \$200.00

SOCIETY West Granite

Shower Honors Bride-to-be

Miss Carol Hoelscher, who will be an early winter bride, was honored Sunday afternoon at a miscellaneous shower given by Mrs. Melba Yenchow, Mrs. Betty Schmidt and Mrs. Shirley Hoelscher at the Yenchow home, 3138 N. Meek road.

Miss Hoelscher will be married Jan. 7 to Earl Meek. The ceremony will take place at St. Margaret Mary Catholic Church.

The guest list included Mrs. Louise Bugle, Mrs. Janice Bugle, Mrs. Frank Hackethal, Mrs. Marie Davidson, Mrs. Evelyn Gavin, Mrs. Robert Weeks, Mrs. Lloyd McCleary, Mrs. Jean Dickey, Mrs. Richard Whyers, Mrs. Carl Burdorf, Mrs. Gordon Ricks, Mrs. Charles Koch, Mrs. Earl Noblin, the mothers of the bride and groom-to-be, Mrs. George Hoelscher and Mr. Selma Meek, and Miss Linda Schmidt, Debbie Jo Hoelscher, Ruth Meek and the honoree.

Refreshments were served buffet style from a table decorated with pink rose buds and candles. Pink was used in the appointments.

Installation and Christmas Party

A Christmas party and installation of officers of Elite Hairdressers, Affiliate 38, Illinois Hairdressers and Cosmetologists Association, was held Saturday evening at the Rose Bowl.

Taking office were Rosalia Jenkins, president; Dorothy Line, first vice-president; Margaret Baroffi, secretary; Joanne Prevett, second vice-president; Sue Cook, treasurer; Sharon Lenz, financial secretary; and Earl Tucker, and Sara Duko, board members.

Lois Lackey of Roxana conducted the installation ceremony and corsages and boutonnieres were presented to the incoming officers and the state officers attending.

Entertainment consisted of music by a vocal trio, "The Collettes", and numbers by Terry Moore and Earl Parsons, accompanied at the piano by Carl Jenkins. There was music for dancing.

Eighth Birthday For Becky Painter

Mrs. John Painter, 2525 Buenger road, was hostess Saturday afternoon at a party given in honor of the eighth birthday of her daughter, Becky.

Refreshments were served to Karen Hoover, Patty Barton, Lorri Longley, Marta Garrison, Patty Melzer, Debra Kirgan, Kimberly Kitchin, Anita Turner, Lori Gendron, Linda Painter, Karen Stawar, Robin Painter, Cindy Large, Leslie Wittig, Donna Painter, Eric Painter, Jenny Lynn Bernaix, Jeffrey Painter and the guest of honor.

Many gifts were received and games provided entertainment and there were prizes for all.

Retirement and Birthday Party

A birthday and retirement party honoring a brother and sister, Everett Wigger and Mrs. Alay Richards, was held Sunday at the K.P. Hall.

Wigger is retiring after 25 years at Union Starch & Refining Co. and Mrs. Richards from the central supply department at St. Elizabeth Hospital where she had worked for the past 20 years.

The affair was a dinner and reunion of the family who arranged the event. It was held from 3 to 6 p.m. with approximately 100 present.

ATTEND AUXILIARY DISTRICT MEETING

Members of the local Eagles Auxiliary were in Belleville Sunday to attend a meeting of District Eight.

Miss Sylvia Roy, state trustee, and Mrs. Frances Steinman, a past state president, were among the guests of honor. Miss Roy, speaker, discussed ritual work and membership.

Ten candidates were initiated by the Collinsville and Belleville ritual teams.

The annual Christmas dinner and party of the Granite City Auxiliary will be held at 6:30 Dec. 13 and there will be an exchange of \$1 gifts.

HONORED AT BIRTHDAY PARTY

Mrs. Leslie Bailey, 2453 Center street, assisted by her daughter, Mrs. Ralph Price, entertained guests at a surprise birthday party Sunday afternoon honoring her aunt, Mrs. Florence Williams.

Also present were Mrs. Betty Williams, Mrs. Evelyn Zentgraf, Mrs. Eva Graf, Mrs. Tolman Wadlow, Mrs. Emil Simpson, Mrs. Royden Watson, Mrs. Betty Voss, Mrs. A. Y. State, Miss Willie Fay, Mrs. Thelma Merrill and Mrs. Ann Flanagan. Gifts were presented and refreshments were served by the hostesses.

CLASS TO SING CAROLS

The Navigators class of Dewey Avenue Methodist Church met Wednesday evening. Plans were made for a Christmas party Dec. 17 at the home of Mr. and Mrs. James Bernaia.

The class will go caroling on the evening of Dec. 22 and has invited the Methodist Youth Fellowship and youth choir to accompany it. A panel discussion was the feature of the evening.

Hostesses, Mrs. Mildred Book and Mrs. Carol Rightmower, served refreshments to Mr. and Mrs. Danny Hutchison and son, Scott, Mr. and Mrs. Wade Duncan, Mr. and Mrs. Jake Hinterser and sons, Andy and Chris, Mr. and Mrs. Durward Book and daughter, Maria, Mr. and Mrs. Jim Reynolds, Mr. and Mrs. Tom Rightmower and son, Greg, and Mr. and Mrs. James Bernaia.

CLASS CHRISTMAS PARTY
The Fidelis class of Second Baptist Church met Thursday evening in the home of Mrs. Evelyn Daily. A Christmas party was enjoyed.

Open prayer was given by Mrs. Pauletta Humphrey and the teacher, Mrs. Roberta Richardson, read the Christmas Story, Group singing included "Joy to the World" and the class theme song, "Bringing in the Sheaves."

Games were played and Christmas gifts were exchanged. Refreshments were served to Mesdames Naomi Roney, Ethel Cox, Rosemary Wilson, Amy Toney, Richardson, Minerva Coffman, Edith Harper, Alice Hoffman, Pearl Peters, Leola Kaseberg, Humphrey, Pat Toney and Pat Turk, Mr. and Mrs. Glasgow, Mr. and Mrs. Wesley Grote, Mr. and Mrs. John Cavins, Mr. and Mrs. George Mitchell and Mr. and Mrs. Gerald Mayberry and daughter, Renee.

HONORED AT SHOWER
Mrs. Wilma Dunahoe was guest of honor at a pink and blue shower Wednesday evening at the Cayuga Temple Church. Hostesses were Mrs. Norma Eden and Mrs. Rena Birdsong.

Decorations were in pink and blue, with a large decorated cake centerpiece.

Included Mesdames Sharon Dunahoe, Jeff Dunahoe, Evelyn Ashburn, Shirley Currington, Ava Arnold, Virginia Parker, Violet Nickell, Sandra Briley, Yvonne Passie, Betty Teller and Ruth Schriber, and Misses Kay Nickell, Linda Schriber, Eva Schriber, Pat Oden and Sharon Oden.

**Circle to Give
Gifts to Home**
Honor Circle of Niedringhaus Methodist Church met Thursday evening at the home of Genevieve Gideon, 2929 Grand avenue, and present were Marvel Clover, Jeanne Sims, Dolores Vageler, Alice Hutsinger, Shirley Loy, Tena Huff, Helen Broadway, Pearl Ferguson and Mary Rouland.

After a business session, the members wrapped Christmas gifts for children in the Neighborhood House at East St. Louis. The Christmas Story was presented by Shirley Loy, with participation by the members. The start of the annual School of Missions at the Church on Jan. 8 was announced.

Refreshments were served by the hostesses.

Venice Plans

limit the time a crossing was blocked so long as the train was moving.

Long train blockages at the Broadway crossing near Main street and the east end of McKinley bridge frequently cause a backup of rush hour traffic into Madison and onto the McKinley bridge span.

The council also approved a resolution authorizing Mayor Lee and Ebersold to obtain permits from the Illinois State Department of Public Works and the U. S. Army Corps of Engineers for construction of the new boat ramp on the Mississippi riverfront at Venice. The dock is to be built by the Illinois State Conservation Department, but the agreement provides that permits for construction must be obtained by the city.

Plan Street Repairs

A resolution for appropriation of motor fuel tax funds in the amount of \$200 for patching repairs to various sections of Klein street, was approved. The council agreed to a maximum \$204 payment for replacement of a sewer connection to a property in State street near Second street.

The council authorized Hartman to pay \$400 for the western part of a lot at the west end of Hampton street, and approved payment of \$7935 in fees to members of the Venice fire department for making fire calls. Firemen are paid \$5 for each alarm they answer.

After a discussion of the recent shooting of a youth and the gathering of youngsters on street corners late at night, the council requested Police Chief Frank De Witt to rearrange police schedules to put more men on the street on Wednesdays and Fridays nights when the Madison Recreation Center is open.

PICTURE FRAMES: CUSTOM MADE, G. C. GLASS CO., 18th EDITION.

MORE ABOUT

Planner

planning should be done with a view toward development in these directions.

This prompted a remark from the Paul Rutledge, chairman of the city council's Zoning and Planning committee, that "It appears that until we annex Pontoon Beach or they annex us, we are stymied." Expansion of Granite City to the east would extend into Nameoki township, and to the north into Chouteau township, toward Mitchell.

Mikesell told the meeting that the planning commission has prepared its basic map for analytical purposes, but that it still needs considerable data from city, housing, school and park officials before it can proceed with a well defined program of future planning.

For example, he noted, the city should determine a definite policy toward annexation and de-

velopment of new subdivisions, particularly with a view toward street construction, sewer installation and location of new schools which, he said, should be based on the population indications of newly developed areas.

He said a policy of acquiring land for schools or parks, or both, from the developer of large subdivisions is followed in many cities. Although the developers do not like this policy because it cuts down the number of dwelling units he may build, actually the location of schools and parks adjacent to or within a development adds to the value of the property.

Streets and sewer lines built within such developments must be required to coincide with city specifications and located to tie in with the city's regular street plan.

Should Guide Schools

Overall planning, he explained, should serve as a guide to schools, for future building work. For example, he noted, the influx and shift of population are major factors in determining the

Conduct Charge

Answering a complaint to 2113 Benton street about 2:50 a.m. Saturday, police arrested James Flanagan, 44, of that address on a charge of disorderly conduct.

location not only of new schools, but of school improvement work as well. Older areas of the city that are being "phased out" do not require the improvements or classroom additions that are needed in the areas to which the population from the older areas is moving.

Statements of policy from the taxing agencies will be requested by the planning commission from time to time as work on the master plan progresses, Mikesell said.

Mayor Donald Partney suggested additional meetings similar to that held Thursday afternoon to be held at night so that a greater representation of taxing districts could attend. Mikesell said such meetings would be held as different phases of the plan are developed to keep taxing agency officials informed.

MORE ABOUT

Fund Grant

amount made available to the state Department of Public Health under the federal Hill-Burton program was reduced. Beleville Memorial Hospital received \$787,331.

The grant was based on a limitation of one-third of a maximum of \$3 million.

2 Years' Planning

In reviewing the program proposed for St. Elizabeth Hospital, Sister M. Thomas said a nationally known hospital consultant, Dr. Anthony Rourke, was called upon over a year ago to make a detailed study of the hospital and community needs which was completed early this year.

"He objectively reported at the close of his study that St. Elizabeth Hospital must be modernized and expanded in order to meet the growing needs of the community."

"He specifically laid out plans for this modernization and expansion to take the hospital up to 1985. His study calls for several stages to be met in the plan by 1985."

"The first stage, Dr. Rourke estimated to be \$8,000,000. However, when the architects laid out the plan the estimate went to \$3,700,000. After cutting back on some of the planned modernization, the figure was held down to \$6,000,000 on the architect estimate."

"Dr. Rourke's office will work with the hospital throughout all the stages of building the addition. The staff will meet at intervals, as they have in the past, with the medical staff, department heads and administration at the hospital in order to ascertain what the needs are and to give their specialized services so that the hospital will be the product of objective thinking and the final result will meet the community's needs."

Programs Considered

Sister Thomas said the study has given consideration to closing the existing structure on Madison avenue and building from scratch in a more desirable environment.

"However, knowing the financial circumstances of the community and the hospital, Dr. Rourke felt that this would be too big a burden to place on the community. He also considered completely modernizing the existing building, and after some thought,

it was determined that the revenue lost by closing down half of the hospital while construction was being done would be too costly to the hospital and the community."

"A complete shelling of the existing 1930 structure would have to be done in order to provide adequate plumbing to meet state requirements."

"The 1930 addition along Madison avenue is in no way equipped electrically for the new modes of treatment that require a great deal more in electricity than the hospital did 36 years ago."

Favors One Hospital

"Dr. Rourke also considered the suggestion to build another hospital so that the community might be served by two individual institutions. However, he outlined in very precise terms the reasons why he advocated an addition to the present building rather than building a completely new institution."

"The reasons he gave are:—(1) The quality and quantity of medical care to the patient is improved when the size is adequate support."

"(2) More medical depth in radiology and laboratory services, providing greater professional coverage around the clock and during vacation periods, illness and attendance at meetings."

"(3) Adequate numbers of anesthesiologists to efficiently use expensive operating room suites, equipment and nursing staff by avoiding bottlenecks in scheduling surgery."

"(4) A physical therapy department where the basic single unit of equipment and staffing requires volume of patients."

"(5) A more completely staffed emergency service, with facilities and equipment necessary to meet community needs."

Specialized Services

"(6) Projection of specialized diagnostic service beyond the more skeleton programs in small institution."

"(7) Medical care is improved because volume of work is adequate to justify the expense of mechanization in many diagnostic and treatment areas."

"(8) Medical staff organization may be improved because a larger hospital provides greater concentration of doctors, thus providing a greater opportunity in selection of committees and heads of clinical departments."

"(9) It is possible to provide

MORE ABOUT

Drop in Bridge

bondholders to go along with such a plan. The city has signed an agreement with the Frank Hawkins, Inc., investment firm of Kansas City, Mo., which is making the effort to obtain bondholder agreements.

To refinance the bridge the bridge bond issue under any plan the city must obtain the permission of 75% of the "A" bondholders and 100% of the "B" bondholders. Seventy percent of the "B" bonds are held by the Illinois Terminal Railroad which refused permission for an outright bond refinancing, involving new bonds, in 1964.

The city still owes the original amount of \$11 million in "B" bonds, on which no principal payments are due until 1973, and a balance of \$10,475,000 on its original issue of \$11,970,000 worth of "A" bonds.

and support additional administrative talents in all departments, particularly at second level positions. The ability to attract such personnel is enhanced. This will insure adequate coverage, better supervision at all times and qualified people for promotion when top positions become vacant.

"There can be greater specialization in the use of personnel and better division by professional and subprofessional personnel."

"7. More optimum occupancies can be attained, particularly in the smaller clinical services, and a degree of clinical segregation becomes possible."

Current Hospital Needs

The current needs at the hospital, as outlined in the report, are new facilities for the emergency room, operating room, obstetrical unit and physical therapy."

"There are many other needs that the hospital has," Sister Thomas said, "but these areas are grossly deficient as far as efficiency and operation are concerned."

"These will be the areas that will be considered first in the long range plan that Dr. Rourke submitted because of their condition. Time and time again on visits of the Joint Commission surveyors and the Public Health Department, recommendations were made that could only be carried out were a new structure to be added."

Young Adult Program Coordinator Named

Mrs. Millicent McAfoos of Alton has been named coordinator of the young adult program at Alton State Hospital, replacing Miss Marilyn Yontem, who resigned Nov. 26.

Mrs. McAfoos' title places her in charge of a staff of four which works with young patients 18 to 21 years of age. A social worker by profession, Mrs. McAfoos steps up from assistant coordinator, the position she held for 15 months.

She is a graduate of Louisiana State College and was previously employed part-time by the Southeast Louisiana State Hospital, Mandeville, La., in activity therapy.

Miss Yontem assumed a position with the Westside Veterans Administration Hospital in Chicago.

YOUNG ADULT PROGRAM coordinator at Alton State Hospital is Mrs. Millicent McAfoos of Alton, who is noting the schedule of activities for next month.

Auto Backs into Meter

Barbara J. Castillo, 2911 Morgan avenue, reported at 10:50 p.m. Thursday that after she parked her auto in front of a bakery at 20th street and Delmar avenue, it backed across 20th street and struck a parking meter. The meter was damaged.

Storm Door Damaged

Ted Cynarski, 2110 Waterman avenue, reported at 7:20 p.m. Thursday that someone had "caved in" the bottom of the front storm door at his home.

24-HOUR SERVICE
3000 Myrtle, TR 6-2626

"Now
are we
the sons
of God"

Sometimes it seems hard to believe that "we are the sons of God." But a deeper look at our own true being can show us the spiritual qualities of good that belong to each one of us. That's when we discover dominion and strength... and an abiding conviction in our sonship with God.

Hear a lecture by Lela May Aultman, C.S.B., entitled "Christian Science Reveals Man's Sonship with God." The lecturer is an experienced practitioner of Christian Science healing.

Admission is free, everyone is welcome.

Nameoki Township Sewer Group to Seek U.S. Funds

Theodore Mikesell, executive director of the Southwestern Illinois Metropolitan Area Planning Commission, discussed federal funding programs that Nameoki township might qualify for at a meeting of the Citizens Sewer Committee held Thursday night at the town hall.

Mikesell suggested that since Nameoki township is primarily a rural area, the committee contact the Farm Home Administration, an agency of the U.S. Department of Agriculture, to seek funds covering the cost of preliminary review and updating of a township sewer program which was defeated by voters last year.

He said that FHA would probably pay 50% of preliminary study costs.

In addition to contacting the FHA, Mikesell suggested the committee contact the Housing Urban Development Agency and

the U.S. Department of Health in their search for funds.

Committee Chairman Michael Ropac, made a motion to contact representatives of the FHA agency and request they discuss funds with committee members at the next regular meeting. The motion carried unanimously.

The committee will next meet on Thursday, Dec. 15, at 7:30 p.m. in the town hall.

7 Building Permits Issued in Two Twp.

Seven building permits listing values at \$36,200 were issued for new construction in Nameoki and Chouteau townships during November by Jack Clifford, county building official.

Thirty-nine permits were issued for all unincorporated areas of the county during the month with values of \$465,000. Included were 17 for homes, \$281,800; 16 for garages and additions, \$29,500; five for business and commercial purposes, \$27,700; and one for a church.

Permits were obtained in Nameoki township by Pete Belovitch for a service building for Stallings trailer court, \$700; H&K Construction Co., a brick home in Dream Villa Addition No. 3, \$17,500; Oscar Schellhardt sr., enclosed carport in Miracle Manor Addition No. 5, \$500; and Stallings Trailer Court, six trailer spaces, \$4000.

Permits in Chouteau township were issued to the Grove Sign Co., a 8x6x661-foot metal and plastic sign, \$10,000; Kenneth Ray Stagner, a frame garage in Gonterman Place, \$1500; and Roxana Terrace, \$2000.

County Museum to Get Confiscated Weapons
The county museum will take on the look of a small armory when weapons confiscated by the sheriff's office and no longer needed for evidence will be turned over to the Madison County Historical Society.

Associate Circuit Judge Austin Lewis granted the authority Thursday afternoon at Edwardsville on a request by outgoing Sheriff Barney Fraundorf.

The weapons include an assortment of about 50 guns, switchblade knives, a bayonet, black-jacks, sets of brass knuckles and even a straight razor.

In his request, Fraundorf said state law permits confiscated weapons to be destroyed, preserved as county property or destroyed.

The weapons have been on display at the sheriff's office.

GCHS Band to Open 24th Concert Season Thursday

Inaugurating its 24th annual concert series in the community, the Granite City high school band will open the 1966-67 season at 8 p.m. Thursday, with a diversified musical program in the senior high school auditorium.

Under the direction of Louis E. Meek, the 106-member concert band will present a variety of musical scores, including seasonal compositions, marches, excerpts from "The Nutcracker Suite" by P. Tchaikovsky and a descriptive fantasy.

Featured on the program will be members of a woodwind quintet, performing the "Overture in Bb Major" by Lucien Cailliet. In the group are Terry Waller, clarinet, Joyce Shepard, oboe, Cynthia Boyer, French horn, Cathy Zenik, bassoon and Barbara Fifield, flute.

The band director said today that a special segment to be presented, entitled "The Men of Music," was commissioned by friends of Dale C. Harris as a tribute to the founder and first president of the American School Band Directors Association, upon his retirement from the Pontiac, Mich., public schools.

The original composition, Meek explained, was premiered at the ASBDA's ninth annual convention, in 1961 at Cleveland, O., by the Ohio State University Concert Band, conducted by Dr. Donald E. McGinnis.

Program numbers Thursday evening, include: "The U. S. Field Artillery March," John Philip Sousa; "The Merry Wives of Windsor Overture," by Otto Nicolai; "Overture in Bb Major," Cailliet; "The Men of Music" by Don Gillis; "Sleigh Ride," by Leroy Anderson; "A Christmas Fantasy," by Clifford P. Lillya; "Valse Des Fleurs" from The Nutcracker Suite by Tchaikovsky; "The Toy Shop," a descriptive fantasy by Carleton L. Colby, narrated by Nancy Schmiedake; "Christmas March" by Edwin Franko Goldman, and "I'll See You Again" by Noel Coward.

The band director said that three additional concerts are planned this season for Jan. 26, Feb. 23 and April 6. He added that persons wishing to attend the concerts may purchase a season ticket from band students, priced at \$2.50, which will admit two people to each concert.

Individual concert tickets may be obtained at the door, immediately prior to the performance, Meek said.

WOODWIND QUINTET to be featured in the first concert of the Granite City High School Band which will inaugurate its 24th annual concert series at 8 p.m. Thursday, at the GCHS auditorium. Musicians from left to right—Terry Waller, clarinet, Joyce Shepard, oboe, Cynthia Boyer, French horn, Cathy Zenik, bassoon and Barbara Fifield, flute.

Friday is Deadline For Church Programs

Friday is the deadline for church pastors and secretaries to submit Christmas programs to the Press-Record for publication prior to the special services.

Each year, the Press-Record devotes several pages to the annual programs conducted by Quad-City area churches, and time is needed to compile the information.

Since Christmas is on a Sunday this year, many churches will hold their children's programs on Dec. 18, and these programs are to be published Dec. 15. Other special services will be published at that time also, with reminders given in the Dec. 19 and 22 issues for subsequent special services.

Bus Windshield Broken

Vandals broke the windshield of a 1964 bus operated by the Catholic Youth Transit Association while it was parked at O'Brien's service station, 3824 Nameeki road, during the weekend of Nov. 26. It was reported at 7:45 p.m. Thursday.

Bartylak to Settle Estate Troubles Today

State's Atty. Joseph R. Bartylak has announced that his difficulties in connection with an estate he represented will be cleared by today.

Bartylak, a patient at Barnes Hospital since Oct. 1 with a heart ailment, was facing a contempt of court citation for failing to comply with a court order to pay \$5500 allegedly due to the estate of the late William H. Becker of Collinsville.

He failed to comply with an order of Associate Judge I. H. Strepper to appear or to be represented at a hearing in the case last Wednesday.

A summons was served to him at the hospital, Bartylak said he was unaware of Wednesday's action and that the only notice he received was a copy of Judge Strepper's order requiring him to make the payment by Nov. 26.

The administrator of the estate, Leroy Becker of Villa Grove, testified Wednesday that no payment had been made to him or to the current attorney for the estate, Mathew Welch of Collinsville.

The suit alleges that last March 16, the boy, then 12, was required to take part in a certain type gymnastic activity in a physical education class conducted by Robinson when he fell and suffered internal and external injuries, including a broken collar bone, was disfigured and is experiencing pain. The complaint charges a failure to instruct the students as to proper procedures and with failure to provide proper safeguards for the apparatus.

\$150,847 Suit Filed Against School District

The Granite City school district and Pete Robinson, a physical education teacher at Central junior high school, were named defendants in a suit seeking \$150,847 filed last week in circuit court for John Boston by his mother, Delores Boston.

The suit alleges that last March 16, the boy, then 12, was required to take part in a certain type gymnastic activity in a physical education class conducted by Robinson when he fell and suffered internal and external injuries, including a broken collar bone, was disfigured and is experiencing pain. The complaint charges a failure to instruct the students as to proper procedures and with failure to provide proper safeguards for the apparatus.

Annual Yule Decorating Show at GCHS Tonight

The popular "Christmas - Art ing the shows in recent years. The theme of this year's show will be "3-D Styrofoam Carvings." Examples of of centerpieces and other Christmas display pieces made by art students will be on display at the show.

Eugene Alassi, art director for the school system, said this will be the 21st year for the presentation to give local residents tips on Christmas wrapping and decorating ideas.

Alassi, who recalls the first program was given in the art department classroom 21 years ago for a small group, said over a 1000 persons having been attend-

TIPS ON PAINTING provided by Guy Cooper (center) of Granite City, a painter at Alton State Hospital, to patients who are repainting furniture in their ward. He is the first craftsman there to volunteer in the rehabilitation of patients.

Painter at Alton State Hospital Aids Patients

Guy Cooper, 2104 Adams street, a painter at Alton State Hospital, has voluntarily undertaken an assignment to help in the rehabilitation of patients. He is serving as an advisor to a group of Unit C patients who are repainting furniture in their ward. Cooper works with the patients three days a week, teaching them how to apply paint as well as the technique of mixing to achieve certain shades.

GC School District Sued Over Attack on Student

A suit seeking a total of \$12,000 has been filed against the Granite City school district by Loren Ebling, a minor, by Lawrence Ebling, his father, and for the father himself. The complaint alleges that last May 26 the boy was leaving the welding shop at Granite City high school when another student, Ronald Raynor, attacked, beat and kicked him, causing a serious injury to the right eye. The suit charges the district with improperly and negligently failing to supervise the students. The boy seeks \$10,000 and costs and the father is asking \$2000 and costs covering medical expenses.

Registration Continues For Pre-School Classes

Youngsters who will reach the age of four years by March 1 p.m. All pre-school classes are may be enrolled this week for the second semester of the Granite City park district pre-school program, slated to begin Jan. 4. Enrollment will be limited to 30 new children, Park Supt. Harold Brown explained, as only one new class will be added to the four established groups.

Divorces Granted to Three Area Couples

Three Quad-City area residents have been granted divorces in circuit court at Edwardsville. Divorced were: James M. Arnold of Granite City from J. Janis Arnold of Alton. They were married April 27, 1963, at Alton and separated Dec. 20, 1965. Her former name was J. Janis Phipps was restored. Mary Ann Fox from Marion Fox of Mitchell. They were married Dec. 31, 1960, and separated March 1, 1965. Dejection was charged. Custody of two children was given to the mother.

Auto Strikes Curbing

Charles A. Bada, Edwardsville, reported that while he was driving north on Nameoki road, another auto pulled out of Clark avenue in front of him, causing him to hit the curb on the east side of the street at 3:30 p.m. Thursday. The right side of his auto was damaged.

Tavern Window Broken

Sam Nighobossian, operator of Sammy's tavern, 921 Niedringhaus avenue, reported at 8:40 a.m. Friday that vandals had broken a window on the east side of the building. There was no sign of forced entry.

Parked Auto Struck

James Goodnight, 2531 Nameoki drive, reported at 8:45 a.m. Friday that motorist backed into the right side of his auto while it was parked at his home. The driver gave his last name and left the scene.

Mrs. Mary H. Schmidt, 84, Dies; Ill One Year

Mrs. Mary H. Schmidt, 84, of 2511 Pontoon road, died at 6:08 p.m. Thursday, at Jewish Hospital, St. Louis. She had been ill with a heart ailment for the past year and was admitted in the hospital two weeks ago.

Surviving are one daughter, Mrs. John (Myrtle) Zabel of the Quad-Cities for more than 40 years and was a member of St. Elizabeth's Catholic Church. She was born at Prairieville, Mo. Her husband, George Schmidt, died in 1948.

Funeral services were held today. Arrangements are given elsewhere in this issue.

New GC Building Dips to \$68,878 During November

New building activity in Granite City during November dipped to values of \$68,878 listed in 25 building permits.

It was the lowest figure since last December when only five permits were obtained by residents, listing values at \$21,981. In November a year ago, 47 permits showed capital investment of \$323,105.

Activity in October totaled 54 permits with values of \$156,762. During the last month three permits were issued for new homes at a cost of \$43,000; four for additions to homes, \$68,445; four for garages and carports, \$1475; nine for remodeling and repairs, \$9558; and five for commercial purposes, \$7200.

Three permits were issued during the final week of the month to the S. M. Wilson Co., 1602 Cleveland Blvd., remodel office, \$1700; Southwick's Hardware store, 1913 State street, raze building in the rear for a parking lot, \$2000; and John Scott, 2900 East 23rd street, install aluminum siding, \$2000.

\$250,000 Damage Suit Filed Against TRRA

A damage suit for \$250,000 was filed last week against the Terminal Railroad Association for Ivan Pomeroy in Madison county circuit court.

The complaint alleges that last April 1 Pomeroy, employed as a conductor on a train switching cars at the Armour & Co. fertilizing concern near Madison, slipped from a ladder upon a rail car, suffering serious and permanent injuries. It added that acid had gotten on his shoes, causing them to become slick. The suit charges negligence.

Mrs. Arlene Terry, 2838 Harding Blvd., reported at 1 p.m. Thursday that someone tried to break-in to her home between 1:30 and 7 a.m. by removing the bathroom screen and raising the window about an inch. Glass jars over flowers were pulled out and scattered around the front yard.

Turning Truck Collides

The left front of a truck driven by Bobby L. Kauble, Collinsville, who was observing a stop sign at West 20th street and Missouri avenue, was struck by a tractor-trailer driven by Muri Stephenson, Versailles, Ill., who was making a left turn onto Missouri avenue at 1:50 p.m. Thursday.

Attempted Break-in

Mrs. Arlene Terry, 2838 Harding Blvd., reported at 1 p.m. Thursday that someone tried to break-in to her home between 1:30 and 7 a.m. by removing the bathroom screen and raising the window about an inch. Glass jars over flowers were pulled out and scattered around the front yard.

Bid Opening Jan. 19 For SIU-SW Building

Bids for the new general offices and services building at the Southern Illinois University-Southwestern campus will be opened Jan. 19.

The bid opening had been scheduled for tomorrow but was postponed to allow minor changes and clarification of specifications, authorities said.

The four-story building, includ-

ing three floors above the ground, will cost about \$2.3 million. Construction is to start completion in 18 months. It will be located east of the University Center.

Clarence Klaus of the architectural firm of Hellmuth, Obata and Kassabaum, Inc., project manager, said the building will be similar to others on the campus.

The building will furnish administrative office space and facilities for student services as well as the admissions office, the

Jerrold L. Bono Promoted by Army

Jerrold L. Bono, 24, son of Mrs. E. C. Cline, 2484 State street, has been promoted to Army specialist fifth class at Ft. Clayton, records department and the bar's office.

It will be of reinforced concrete with brick towers and heat absorbing glass and will be connected to the existing service tunnel of the University Center. It will be the sixth building for the new campus.

C. Z., where he is a member of the 517 Artillery. For pay purposes, his new grade is equivalent to sergeant.

Spec. Bono is a personnel management specialist in Headquarters and Headquarters Battery of the artillery's 4th Missile Battalion. He was last stationed at Ft. Polk, La. Spec. Bono is the son of Ben C. Bono Jr., East Alton. He received an associate of arts degree in 1964 from Belleville Junior College. He is a member of Delta Psi Omega fraternity.

4 Deaths, 110 Injuries

November traffic statistics reflected the upward trend this year, although the 41 crashes in the Quad-Cities area were down 29 from the 210 in October. Four fatalities were recorded for the month, the same as in October, but there was a drop in the number of injuries to 110 deaths from October's 147, which set a record for the year.

Heavy Traffic Toll in Area During November

With the November statistics of 181 crashes, 110 injuries and four deaths, the Quad-Cities totals for 11 months jumped to 2123 accidents with 1261 injuries and 36 deaths. In 11 months of 1965, the totals were 2023 accidents, 1001 injuries and 22 deaths.

The 11-month comparison shows that for this year there

have been 100 more accidents, 260 more injuries and 14 more deaths.

December Peak Month
Last year, the peak in crashes and injuries occurred during December with the 1965 totals of 247 accidents, 146 injuries and one death.

Increases in all statistics are noted for most months this year, compared to 1965, especially in the number of traffic deaths.

Last year the death average was less than two a month, but this year the average has jumped to better than three a month.

A breakdown of 1966 statistics, showing the number of crashes, injuries and deaths in that order, follows:

January—203, 114 and two; February—187, 91 and two; March—194, 67 and four; April—204, 142 and four; May—219, 135 and none; June—160, 108 and five; July—166, 96 and two; August—192, 116 and four; September—207, 115 and five; October—147, 101 and four; and November—181, 110 and four, for totals of 2123 crashes, 1261 injuries and 36 deaths.

County Residents Buy \$362,325 U. S. Bonds

Madison county residents purchased a total of \$362,325 in series E and H United States savings bonds in October according to Henry D. Karandjef, local banker and general county chairman of the savings bonds committee.

Sales in the state of Illinois were \$29,176,536, according to Arnold J. Rauen, state director of the Treasury Department's savings bond division. This is an increase of 15.6% over sales for last October, and accounts for 7.2% of national sales which were \$408,000,000. Illinois purchases in the first ten months of this year reached 87.5% of the state's annual quota which is \$348,000,000.

Man Fined \$100, Costs

Stanley Odell, 621 Salvator street, Venice, was fined \$100 plus \$5 costs on a charge of driving without a license. He appeared in magistrate's court Thursday. The charge was filed Oct. 26 by Madison police.

SOCIETY

Ladies Coterie Christmas Party

One of the earliest and most enjoyable of the annual Christmas parties and a program in which local clubs and organizations are now participating was that of the Ladies Coterie Thursday afternoon at the Nameoki Methodist Church.

A 12:30 luncheon was served to 20, including one new member, Mrs. Harry Erbe, who was welcomed by the group. The tables were gay with poinsettias, evergreens and other holiday decorations, together with Santa Claus playing "Overture in B Major" by mugs as favors. Mrs. Hilda Griff, fifth, vice-president, was in charge at the meeting and Mrs. Fred Haug served as program and, above, Kathy Zenik, has-

chairman.

The entertainment committee was composed of Mrs. E. F. Reiske, chairman, Mrs. E. H. Theis, and Mrs. G. E. Halyama. Mrs. Mark Pickett, chairman, Mrs. William Cariss and Mrs. John Tyle served on the decorating committee.

Business was dispensed with for the day, and instead there was a gift exchange among the members and toys were collected for distribution at Christmas to needy children.

Among the program numbers were instrumental selections by high school students. Terry Wal- Mrs. Harry Erbe, who was wel- Mrs. Harry Erbe, who was wel-

Secretaries Hold Holiday Party

The Christmas party of the Tri-City Chapter of the National Secretaries Association (Internation-), a smorgasbord and program was held Thursday evening at the Rose Bowl. Twenty-five

soon: Barbara Fifield, flute; and Cynthia Boyer, French horn. Pam Swan, another high school student, gave the Christmas story from the book "A Tree Grows in Brooklyn". Mrs. Richard Branding sang "No Candle Was There and No Fire". "Santa Claus Is Coming to Town," and "White Christmas." She was accompan-

ed by Mrs. Stanley Young. The program was brought to a close with the group singing familiar Christmas songs led by Mrs. Branding and accompanied by Mrs. Halyama.

members and five guests were in attendance.

A short business discussion was conducted by Mrs. Helen Gieszelmann president, and final plans were made for a Christmas party for underprivileged children Dec. 11 from two until four o'clock in the afternoon at the Dewey Avenue Methodist Church.

Miss Brenda Lewis entertained the group with a dance in holiday costume and then distributed the exchange gifts among the members and guests. Movies and slides were shown of the last "boss" night party Oct. 20 and all joined in the singing of Christmas carols led by Mrs. Jean Hileman.

Prizes were won by Mrs. Thelma Gonterman, Mrs. Pat Sparks and Mrs. Hileman, and announcement was made of a board meeting Dec. 12 in the home of Mrs. Gieszelmann and the next regular meeting Jan. 5.

St. John Guild Holiday Program

Approximately 50 members of the Afternoon Guild of St. John United Church of Christ attended the monthly meeting and Christmas program Thursday at the church.

Rev. Paul Surbey, pastor, opened the meeting with prayer and Mrs. Ellen Ehlert, president, was in charge. Miss Luella Dierding, chairman of the sick and visiting committee, reported and announced that all will be visited during the Christmas season. Among and bandages a d hospital those remembered will be Mrs. Emma Schroeder, a patient in the Emmaus Home in St. Charles, Mo.

Mrs. Velma Carraher and Mrs. Marie Wille were in charge of the Christmas program which included "The Virgin's Story," Guild.

with Scripture reading by Mrs. Emma Retteke and Mrs. Edna Buenger. Christmas carols were sung by the group and after the program Mrs. Clara Redmond and members of her committee served refreshments in a holiday setting.

Announcement was made of the Jan. 5 meeting which will begin at 9 a.m. Mrs. Marie Wille, service chairman, will be in charge. Supplies will be made for the Hitz Home in Alhambra the Christmas season. Among and bandages a d hospital those remembered will be Mrs. Emma Schroeder, a patient in the Emmaus Home in St. Charles, Mo.

There will be the Bible study from 11-12 o'clock conducted by Mrs. Surbey and the program theme will be "Poverty." It will be in charge of the Evening Guild.

MRS. ALVIN MICHEL IS CLUB HOSTESS Mrs. ALVIN MICHEL entertained the Octagon bridge club Thursday evening at her home, 2824 Yale drive. Honors for the evening went to Mrs. Harry King, Mrs. Owen Davis and Mrs. George Snyder. The club members have been invited to the home of Mrs. Snyder, 51 Twin Lakes, Troy, for their Christmas party Dec. 22.

POLICY ON CULTURE EXCHANGE WITH CHINA

The following letters have been answered by the U. S. Department of State:

Could you send me details on the State Department's recent proposals to Peking offering plans for cultural exchanges?

A group of students here, including myself, has taken a deep interest in this plan, and hopes that through it the American people can learn more about the Chinese.

J. B. Notre Dame, Ind.

Dear Mr. B.:

On Dec. 29, 1965, we announced our travel regulations to permit doctors and scientists in the fields of medicine and public health to travel to Communist China (as well as to other countries to which travel has been restricted) for purposes directly related to their professional responsibilities.

On March 9 of this year, the Department announced that it will henceforth consider on an individual basis applications from scholars to travel to Communist China.

The scholar must be professionally involved in the supply of public with information concerning Communist China.

We favor greater communication in order to promote a better understanding and to break down the curtain of ignorance about the nature of the Communist world, and particularly the United States, which exists in Communist China.

The Chinese Communists, however, have long opposed meaningful contact with Americans. They have made it almost im-

possible for an American to obtain a visa to enter Communist China.

I would like to know the current United States policy toward the State military aid and the sale of arms to Yugoslavia.

G. C. W.

Dear Mr. W.:

The United States has not, since 1958, provided any grant military aid to Yugoslavia.

Under current legislation and in accordance with provisions of the "Foreign Assistance Act of 1950," as amended, the United States is prepared to sell military spare parts and services necessary to service U. S. equipment.

Such sales are made on a cash basis at prices representing fair market value.

Yugoslavia's armed forces are largely equipped with U. S. material.

It was in support of Yugoslavia's determination to maintain its independence, a policy which it continues to demonstrate, that we provided military aid until 1958.

We would jeopardize the gains which we have made for our policy by making a cash sale to Yugoslavia, for dollars on a cash basis, spare parts for military equipment, are not being supplied from the United States.

Do you have an inquiry?

Send it to the Diplomatic Pouch, P/MR, Room 4835, U. S. Department of State, Washington, D. C. 20520.

Sever Election Date, Development of Public Support Face City Government

Scheduling of a sewer bond election at an early date and development of broad public support for a sanitary and stormwater sewer construction program are the overriding issues currently facing the Granite City municipal government.

Creation of an expanded citizen committee representing a cross-section of the community might be helpful in resolving such differences of opinion that involve the bond attorney selection. In any case, such a committee could provide valuable service by helping to inform the public about the proposal to be voted on.

It is important that city officials not lose sight of the great need for sewers and of the opportunity to meet that need with 50% federal financing, of which \$1,500,000 already has been approved and more is available.

The mayor and aldermen are in a key position to lead the drive for public approval. Success will depend to a great extent on the kind of plan they develop and the thoroughness with which they present it to the people.

Federal Highway Fund Cutoff Threat to Future Local Projects

A 17.5% cutback in the federal highway program fortunately will not hit Great River Road grading and overpass work and right-of-way acquisition here. However, projects not under contract seem likely to be affected.

Along with a reduction from \$4 billion to \$3.3 billion for this fiscal year, the U. S. has ordered a freeze on more than \$1 billion backlog accumulated by states through late June 30. The cutback involves highway trust funds, raised through taxes on highway users and earmarked for road construction.

With \$3.3 billion in new contracts actually awarded during the 1965-66 year, the \$3.3 billion ceiling assures a reduction in federally-related road paving in most states. The Illinois allocation for 1966-67 has been chopped from an expected \$234 million to \$173 million, delaying Interstate and other highway projects.

The fund reduction provides another reason for state officials to speed up the gasoline tax and vehicle license fee increases proposed by Gov. Kerner. They could go a long way toward preventing vital highway projects from grinding to a halt.

It is very obvious that one of the most dynamic and growing industries in America is education. Every educational institution you bring into the area provides several hundred jobs at high pay levels and of steady, unwavering duration.

Do many people consider the Granite City school system a big industry? It probably has as many employees as Union Star and more than many of the industries which are considered important to the economy of the city.

Now that the new year is here isn't it time for the leaders of Granite City to get together and begin a strong movement to help develop and enhance the economy of the area by applying effects that educational institutions provide?

Isn't it time the Chamber of Commerce have an Educational Development Committee as well as an Industrial Development Committee in an effort to entice industry to the area?

You have worked for years to upgrade your newspaper into the fine publication that it is today. Would be a wonderful contribution for the community and the young people if you would lend your talents to the upgrading of the Granite City school system?

Many are here to help, but they cannot do it from an internal source. They need the support of their original backers—the area and the other citizens of the area.

JOHN MCBRIDE
A (Member of the Education Division at SIU-SW)

Another Outstanding All-Star Group Selected by School Football Coaches

For the ninth successive year, the Press-Record has had the pleasure of sponsoring selection of all-star football teams in the Southwestern and Midwestern high school athletic conferences.

In some years, the schools have been well represented on the all-conference squads. But in other years they have been omitted because there

125 Attendance Here

Similar turnouts occur in townships throughout the state. (Attendance at the annual Granite City township meeting in April 1966 was 125, overflowing the former council room in the city hall.)

At one such meeting, a citizen arose, addressed the chair and said, "I'm here because I think it's a great idea. Where else can a voter feel so strongly that he is a part of, and so important to, his government?"

It is difficult to find democracy functioning so well in other forms of government.

Throughout the 85 counties in Illinois which have township government, the citizenry submitted by law to attend annual town meetings, held on the first Tuesday of April.

Inflection and decreasing purchasing power of the dollar when markets and warehouses are saturated, then what happens?

Remember 1929 and what followed? It was labeled the Hoover depression by the Democrats but the Democrats controlled both houses of Congress. Why didn't they stop it? Because it was worldwide for two years before it hit the U. S.

were more capable out-of-town players—a tribute to the authenticity and fairness of the balloting.

All head football coaches vote, and are permitted to pick only from the opposing teams. In this way, exactly balanced teams are achieved, with the players who performed well in the most games having the best chance to win.

The Press-Record salutes another outstanding group of athletes, students and young men. How wonderful it would be if we university graduates wouldn't have to meet them in the middle of the gridiron.

Federal Grant Recognizes Need For Modernization of Hospital

Authorization of a \$910,819 federal grant recognizes the need for expansion and modernization of Quad-City hospital facilities, a need that already has prompted extensive study locally.

Availability of the grant for general and out-patient rooms and equipment at St. Elizabeth Hospital will encourage implementation of a program to provide the additional funds necessary in order to use the Hill-Burton Act federal allocation.

Participation in raising a portion of the money publicly will merit serious study by all Quad-Cityans when the specific goal and timing are determined.

Outlook Bright for Laws on State Governmental Ethics

Since Republican leaders have committed themselves to it, and Gov. Kerner has no reason not to support the best with the aid of effective Illinois ethics legislation is bright.

Three of the bills submitted on the first day for pre-filing related to the conduct of state employees and appointed officials, all elected officials and professional lobbyists.

Ethics boards and commissions would be created, economic disclosures would be required, legislators' appearances before state agencies or courts would be reported and many of the glaring loopholes on conflicts of interest would be closed.

The board dealing with state personnel would act in an advisory capacity to the Illinois Civil Service Commission and the university civil service system. A nine-member ethics commission regulating state officials, including the General Assembly, would include five non-legislators, a "first" for such proposals.

Enactment of stricter Illinois governmental ethics laws is long overdue. The opportunity to correct this lack in 1967 must not be missed.

One might as well fall flat on his face as lean too far backward.

Local Servicemen Will Be In All Quad-Cityans' Thoughts This Christmas

Response to the Yule Mail Call service launched by the Press-Record this fall was gratifying. Over 500 names and addresses of Quad-City servicemen were received and many of the local residents and organizations sent them holiday greetings and gifts.

This Christmas will be an especially poignant time for the families of our loved ones serving on the battlefields of Vietnam. Thanks to the Yule Mail Call, Red Cross "Talking Letters" and other contact and correspondence, the Quad-City and the Far East will seem much closer together than the number of miles actually separating them.

The soldiers, airmen and sailors are here—in Quad-City's thoughts and hearts. The Christmas wish that all will share is that justice will have triumphed, enabling them to resign again, before the next holiday season arrives.

Naturalists who claim America's wild life is disappearing don't stay up very late at night.

The Law Serves You

Liability for Injury, Damage on Residential Property is Limited

(A public service of the Tri-City and Illinois Bar Associations)

What is the extent of your liability to other persons who are injured on your residential property?

Liability for accidents on your property does not depend merely on ownership. Your responsibility extends to persons who come upon your property depends upon the reason for their visit.

The property owner's legal obligations toward the social visitor are limited by law.

The owner (1) must refrain from "willful and wanton misconduct" and (2) must warn his guests of any hidden danger which he should know about.

The law does not otherwise charge the host with the protection of his guests from injury.

The law in this case is based on the nature of the relationship between the host and his guests.

Like a Family Member

It holds that the host receives no benefit from the visitor except the pleasure of the guest's company.

Also, you may be liable for injuries to children if you have on your property an object or condition which the law says you should recognize as a possible danger to children.

Even if a child comes on your property without your knowledge or permission, you may be liable for damages if he is injured by the dangerous object or condition.

"The Law Serves You" is written to inform and not advise. No one should apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law.

50 YEARS AGO

GRANITE CITY PRESS-RECORD

DECEMBER 5, 1916

Numerous itinerants who were peddling small plaster of Paris statues about the city were taken to the Granite City police station to explain why they did not take out a license to dispose of their wares.

When they were told that the fee was \$25 a year, they did not take time to talk but hurried to take the next street car back to St. Louis. They protested that they would never visit here again.

A regular junk seems to be affecting the E street paving job. The work has been delayed a number of times since the job was started. First it was a dispute and then it was a shortage of materials and now it is a breakdown of machinery.

The flies in the concrete mixing machine burned out and the work is being held up while it is being repaired.

In spite of the delays, however, the contractors are making good with both the work of building the street. They will have a considerable stretch of the street finished before cold weather overtakes them.

It will cost 10 cents instead of five cents to ride across the McKinley Bridge in the future. The Interstate Commerce Commission ruled in a report read by Commissioner Clements. The entire question can be reopened at any time, however.

The Illinois Traction System proposed to double the rate of fare for passengers between Granite City, Madison and Venice and the city of St. Louis.

The P.A.C. basketball team defeated the C.A.C. team at the McKinley gymnasium by a score of 15 to 2. Both teams are members of a league organized among the different Sunday schools of Granite City. The game marked the first defeat of the C.A.C. squad.

The annual minstrel show given by the Commonwealth Fellowship Club will be held at the Washington Theatre. An excellent show has been arranged for the entertainment. Proceeds of the show will be used in relief work among the needy poor of the Tri-Cities.

The second annual ball given by the Amalgamated Association of Iron, Steel & Tin Workers, Granite Lodge No. 100, will be held at Assembly Hall, 18th and State streets.

25 YEARS AGO

DECEMBER 5, 1941

Red roses and white carnations were used in the appointments of a party given by Mrs. W. J. Fox for her bridge club at Hotel Lenox.

The guests were seated at a large table centered with a bouquet of flowers, and there were places for four guests, Mrs. Ed Rees, Mrs. John Delaney, Mrs. Walter Pershall and Mrs. W. F. Grayson, and the club members Mrs. M. R. Sullivan, Mrs. C. W. Munson, Mrs. Guy Tetherington, Mrs. Walter Sons, Mrs. Henry Clyde Hughes fourth.

Mrs. Clarence Armfield and the hostesses.

Mrs. Armfield and Mrs. Sullivan were winners of the club prizes and Mrs. Delaney received the guest favor.

The Christmas party of the club will be held in the home of Mrs. Dale.

Mrs. Elmer Baumberger of State street was hostess to her philistine club, the Elmanon.

Mrs. Homer Thurau was winner of first prize, Mrs. Theodore Overbeck was second, Mrs. Baumberger third and Mrs. Clyde Hughes fourth.

Two guests at the party, Mrs. Victor Koenig and Mrs. Leonard Davis, also received favors. The next meeting is to be with Mrs.

Thurau on Grand avenue.

Russell Harrison, son of Mr. and Mrs. Ivan Harrison of Madison avenue and a senior at Southern Illinois Normal University, made perfect grades in all subjects and was awarded a 5-point "A" average for the semester.

A carpet sweeper stolen from the automobile of Mrs. William Grayson, of the club members, was recovered by Madison police while the arrest of a 34-year-old Arkansas man. The sweeper was taken from the car while it was parked at 548 State street.

Mrs. Fred Wagner and Mrs. Lottie Scherer were co-hostesses to their pinocchio club. High scores for the evening were held by Mrs. George Slay, Mrs. J. W. Libbert and Mrs. Scherer. Consoles prizes were won by Mrs. Wagner and A. F. Buente.

The Jolly Circle pinocchio club met at the home of Mrs. Rex Nemes in Long Lake Park, Nameok.

There were two tables at play, and winners of prizes were Mrs. John Gyarmati, Mrs. Nevel Ralls, Mrs. Anton Kohl, Mrs. Joe Vremsick and Mrs. George Mueller. Mrs. Gyarmati will entertain the club for its Christmas party.

Upgrading of New University Hinges on Community's Interest

To the Editor:

Three years ago when I left University to enter Arizona State University to work on my doctorate degree I felt that Granite City and Madison County were on the move and great things were going to happen or were happening.

I wanted to be a part of that development so I aimed for a return to the new university being built in the heart of Madison County.

When I returned in September I was appalled at what appears to be a complete state of inertia. What the brick and mortar have been set in place at the university it appears that the community does not have to be interested in what happens there or whether it grows—and grows in the right direction or not.

It appears that the people—especially the leaders of Madison, St. Clair and the surrounding counties—were not worked hard for the development of the university have abandoned any interest in it.

Whatever happened to the Southwestern Illinois Council for Higher Education that actually created what should be a magnificent university? It stands with second-rate status and little or no enthusiasm by its students and faculty? Has the father abandoned the child?

The area Chambers of Commerce cry for new industry but when a clean dynamite, several million eventually employ several thousand employees, comes into the community there is little or no interest or support.

Not only has this university begun employing large numbers of area residents but it has brought some of the most talented and intellectual people in the United States into this area.

An examination of the press roster indicates that outstanding musicians, artists, authors, lecturers and scientists now live in Madison county. Many of these live in Granite City and environs.

Why is it that the Press-Record as well as the other papers of these several counties cover the petty arrests, drunken brawls and minor personal injuries yet fail to cover the live news of this university?

Every issue of our papers should be carrying a story about some faculty member's dramatic contributions to education or learning in this country. Students are sources of news that will interest their friends, neighbors and families.

Activities are occurring on this campus that are of vital importance for the people of the community, and in many cases the citizens are invited to participate. The use of stereotyping press releases helps some but press releases give you the current hot news that is important for the survival of a good newspaper.

New and great opportunities are available again to the area for the construction of an International College of Education

350 GCHS Vocal Students to Sing In Yule Concert

The annual Christmas carol concert by 350 students of the Granite City high school vocal music department will be presented Thursday evening, Dec. 15, in the high school auditorium at 8 p.m. under the direction of Warren G. Simpkins.

The program will be a little over an hour in length and will be open to the public without charge.

The program will include a variety of Christmas carols, and will conclude with George Frederic Handel's "Hallelujah Chorus" from the oratorio "The Messiah" sung by the combined voices of three choirs totaling 200 singers.

Seven choral groups will participate in this evening's program. They are the mixed chorus, cantando (advanced girls' glee club), boys' glee club, sophomore mixed chorus, girls' glee club, seventh hour chorus and the madrigal singers. Vocal soloists will be Beverly Dorch, Randy Legate, Dennis Myracle, Mike Farrell and Alice Ralls. Piano accompanists will be Janet Young, Karen Cochran, Barbara Fox, Janice Scher and Robert Ashcraft.

Driver Jailed, Fined

Dennis Lynn Coleman, 3219 Westchester drive, was sentenced to 15 days in the county jail and fined \$25 plus \$20 costs Thursday in magistrate's court on a charge of violating the driver's license act. The charge was filed July 1 by Granite City police.

TALKING TO DADDY. Mrs. Anne (Vasileff) Breeden and three of her five young sons prepare to make a "Voices from Home" talking letter for her husband and the children's father, SP/5 George R. Breeden, U. S. Army, presently stationed in Korea. With their mother from left are Brian, two, David, 15 months, and Ronald, seven. Absent due to mumps are George Jr., nine, and Mark Anthony, four years.

'Talking Letter' Program Still Under Way at ARC

Local relatives of servicemen and women overseas have until Saturday to record their "Voices From Home" talking letters at the American Red Cross office, 1411 Twenty-first street, Mrs. Ruby Overbeck, chapter executive said today.

Quad-Cityans may record a 15-minute conversation free of charge at the Tri-City ARC office between 9 a.m. and 5 p.m. today through Thursday, and from 9 a.m. to 3:30 p.m. Friday. Mrs. Overbeck said the office also will remain open again this Saturday from 9 a.m. to 3:30 p.m. to accommodate persons unable to make the recordings on week days.

Among the servicemen's wives taking advantage of the free pre-holiday service was Mrs. Anne Breeden, whose husband, Specialist Fifth Class George R. Breeden, will spend a lonely Christmas in Korea, away from his wife and five young sons.

When the recording session took place last week, one of the children, George Jr., nine, was ill at home with the mumps. His younger brother, four-year-old Mark Anthony, also had to forego recording his voice for "Daddy."

His mother explained that Mark showed signs of becoming the next mumps victim in the family. Mrs. Breeden, the former Anne Vasileff of Madison, and the five boys, George Jr., Mark, Ronald James, seven, Brian Lewis, two years, and 15-month-old David Allen, are living at the Granite City Army Depot trailer park while SP/5 Breeden is in Korea. He has been assigned there for the past six months.

A veteran of 15½ years in the Army, Breeden was based at the local Army installation in the early 1950's. He is a native of Canton, Ga. Before returning to Granite City, the family resided at the Rodstone Arsenal at Huntsville, Ala.

Parked Car Damaged

A police report that a parked car damaged two other parked cars and tore down 15 feet of cyclone fence sounds highly improbable—but it happened in Madison.

Officers reported that a car owned by Orren J. Harrison of Wood River was parked in the 1200 block of Madison avenue, and the motorist was using a battery jumper hooked to a car owned by Floyd O'Dell, of Alton. Somehow, officers said, Harrison's car slipped into gear, took off on its own and crashed into another parked car owned by Donald B. Zimbelman, 3702 Pontoon road. The car then jumped the curb and tore down 15 feet of chain-link fence in the yard of Christ Pashoff at 1220 Madison avenue. The incident happened at 3:25 a.m. Friday.

Safety Council's Tips for Winter Driving

"You have to see to be accident-free, especially for winter driving," said today. "Good visibility is the first step to safe driving. We have all seen the driver who trudges out to his car after a heavy snowfall, brushes a little peep-hole in the snow on the windshield and then gets into his car and drives off. We have also seen the driver who drives along squinting through an ice or snow-covered windshield instead of pulling over to clean it off.

All motorists should take the following precautions for good vision during winter driving conditions:

"If you have a windshield ice, a scraper will get it off dent-free!"

"If you have a windshield washer, be sure the solution has the windshield. Get one with a enough anti-freeze. For 20 below scraper on one end and a snow zero weather you will need one brush on the other. Keep it part anti-freeze to one and one-half parts of water. Remember, if the solution is weak you may get a sheet of ice on the windshield. Pull over to the curb or shoulder before using washers in the winter.

"Check your wipers to be sure they have proper arm tension and live blades. Replace if necessary. Remember, defective wipers will smear the dirt, ice or snow and reduce visibility to nearly zero.

"Good defrosters are vital in winter. If they aren't in top shape and fog shield on the back window will also help.

"When rain and snow turn to sleet, a scraper will get it off dent-free!"

"Remember, you have to see to be accident-free!"

Press-Record's...

Yule Mail Call (Clip and Save)

Quid City servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear.

Local residents are invited to include the servicemen on their Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are a way from their homes and families. Early mailing is recommended.

Fluoridation Listed

On Tonight's Agenda

A shorter agenda-faces aldermen on tonight's 8 o'clock Granite City council session.

Far down on the agenda—under new business—the council is scheduled to revive an old topic—fluoridation. It is listed as "discussion on fluoridation."

The city's first and water committee, headed by Alderman Johnson, renewed franchise talks with officials of East St. Louis & Interurban Water Co. and is to submit a report.

Possible debate may arise under the "unfinished business" item on the agenda—also near the end—where city employees' wages is listed. All employees have been given increases with the exception of those working in the city hall.

Local Woman Finds

November Has 31 Days

Mrs. Glenda Staggs, 2209 East 24th street, almost had an extra day for Christmas shopping. At least if she had believed her calendar which showed the month of November with 31 days, rather than the customary 30-day period.

Obtained from a St. Louis auto parts firm, the 366-day calendar was misprinted to read Thursday as Nov. 31. Expecting to find the December dates out of sequence, Mrs. Staggs was somewhat relieved to see Thursday also recorded as December 1 and terminating on the correct date, Saturday, Dec. 31.

ENTERTAINERS CLUB

Mrs. Hazel Swigert was hostess to the Po-Ke-No club in her home Wednesday. The members arrived at the home during the morning hours, and played games before a meal.

Mrs. Veronica Kula was the day's winner. Others playing were Mrs. Hazel Hinson, Mrs. Maxine Butler, Mrs. Margaret Fecurka, Mrs. Betty Allen, Mrs. Nettie Gnojewski, Mrs. Pat Gerkin and Mrs. Helen Krakowicz. Mrs. Allen will be hostess in her home in two weeks.

FRANK HATSCHER'S MARRIED 50 YEARS

Mr. and Mrs. Frank Hatscher, 1515 Fourth street, Madison, served their golden wedding anniversary Wednesday.

In the morning, Rev. Engelbert Biack, pastor of St. Mary's Church in Madison, celebrated a High Mass at which they renewed their marriage vows. Rev. Laurin Bucynski, formerly assistant pastor at St. Mary's, came from Hermann, Mo., to assist at the Mass.

An informal open house was held at their home in the afternoon. In the evening, members of their immediate family and close relatives attended a dinner given at the Rose Bowl by their son and daughters.

Attending were Mr. and Mrs. Michael C. Troeckler of Edwardsville, Mr. and Mrs. Joseph Troeckler and Mr. and Mrs. Gregor I Sido of Granite City. Mrs. Sido, the former Bernadine Troeckler, was her sister's wedding attendant. Another sister, Mrs. August C. Lohmann of Collinsville, was unable to attend because of illness.

Other guests included Mrs. Daisy T. Malone of Madison and Mrs. Elizabeth Niehaus of Sand Prairie, cousins of Mrs. Hatscher, and Louis Strackelja, Mr. and Mrs. Frank W. Hatscher of Granite City and children, Linda, Mark, David and Karen, and Misses Lorraine, Eunice and Julie Hatscher.

Mrs. Hatscher, the former Theresa Troeckler of Mitchell, and Mr. Hatscher, who came to this country from Oldenburg, Germany, have been residents of Madison since their marriage.

For many years Mr. Hatscher was in the grocery business, first in Madison and later in Granite City, until his retirement in 1963.

He served as president of the Madison school board from 1938 to 1940 and was a member of the Madison village board of trustees in 1941-42.
